BASE ACCESS: For those without a current Military/VA Disability ID or Base Access pass, you will have to be cleared on base for the week. You should have submitted a Form 5512 with your Reunion Registration Form. I will try to pick up the access cards (or whatever they provide) at NAS Key West (Boca Chica) Pass and Tag on the morning of September 29th. But you may need to do this yourself. Members with Military ID cards should be able to sponsor others onto Trumbo Point – if needed.

For comments or suggestions, please email the Reunion Coordinator. Roy Pearson: F18Puma@san.rr.com
