Ease of compatibility with others  
Integrity

## EDUCATION

**Agricultural Media & Communication Major**

### Tarleton State University

August 2024- May 2025

While at TSU, I have learned an abundance of knowledge in dealing with people, the public, and the media.

**Agricultural Business & Economics**

### West Texas A&M University

August 2023- May 2024

I attended WTAMU and was given a foundation for success via learning multiple crucial life skills while being five hours away from home and any family.

**High School Graduate**

### Mineral Wells High School

August 2019- May 2023

I attended MWHS and graduated with a 3.35 GPA.

## PROFILE

I was born and raised in Mineral Wells, TX. I showed steers through FFA and 4-H for 10 years. While in high school, I also earned multiple certifications such as: adobe photoshop, premier pro, illustrator master certifications, Greenhand Degree, Lone Star Degree, Part 107 Commercial Drone license, and more. I attended WTAMU and was on the Trap & Skeet Team and Competitive Rifle Team. I then transferred to TSU and learned multiple professional skills from knowledgeable individuals, as well as began welding and preparing for auctioneering school, which I will attend this Summer to earn my Auctioneer License. While being at TSU, I have also voiced radio ads, as well as announce and run music production for rodeos. All in the meanwhile, I have ran my own photography, videography, and media management company (Barker Productions est.2019), attended TSU Full Time and worked for Members Trust Federal Credit Union. I am also a member of the Palo Pinto County Livestock Association and have been helping with marketing and content creation since 2019.
