

SUMMER CIGAR DINNER

A Salute to First Responders

Saturday, August 17, 2024

First responders deserve our constant recognition and appreciation. These brave men and women firefighters, police officers, paramedics, and many more – selflessly rush towards danger when everyone else runs away. They dedicate their lives to protecting our communities, providing critical aid in emergencies, and often facing unimaginable situations. We can honor them by expressing our gratitude, supporting initiatives that provide them with resources, and remembering the sacrifices they make to keep us safe. **The Summer Cigar Dinner is a salute to active and retired First Responders.**

Enjoy the Fellowship of Brothers and Sisters of the Leaf. Mix it up with First Responders. Meet new friends. Renew old friendships. Have fun. Puff & Ponder. Enjoy.

Members & First Responders (Active/Retired): \$80

Non-Members \$90

Includes Dinner & Three Premium Cigars. Pay Bar.
