As We Pay Tribute to the Military & First Responders – Veterans, Active, & Retired

SPRING CIGAR DINNER

The Military and First Responders deserve our constant recognition and appreciation. These brave men and women from all branches of the US Military, Firefighters, Police Officers, Paramedics, and many more – selflessly rush toward danger when everyone else runs away. They dedicate their lives to protecting our nation during war, and our local communities, providing critical aid in emergencies, and often facing unimaginable situations. We can honor them by expressing our gratitude, supporting initiatives that provide them with resources, and remembering the sacrifices they make to keep us safe.
