Six Benefits of Working with a Coach

by Thomas Leonard from the book *The Coaching Starter Kit*
Everything You Need to Launch Your Coaching Business.

There are two factors that are required for the Coaching Client Relationship to Work.

1) The Client is motivated to grow personally and professionally

2) There is a gap between where they are now and where they want to be.

Provided both of the above are true here are six benefits of working with a Coach.

1) Take more, better and smarter action
Because you set the goals you really want.

2) Have a balanced life.
Because you designed it.

3) Make and keep more money.
You are worth more than you are making.

4) Reach for more, much more.
And not be consumed in the process.

5. Make better decisions for yourself and your business
Because your focus is clear.

6. Have a lot of sustainable energy.
No more chugging along.
