WILLIAM C. BURTON, Esq., is an attorney and a partner in the law firm of Sagat|Burton LLP. He is a former New York State Assistant Attorney General and a former New York State Assistant Special Prosecutor. As a writer, he compiled this book, which became the first legal thesaurus ever written for the legal profession. When the book was released, it was recognized as “One of the Most Innovative and Creative Projects of the Year” by the Association of American Publishers. Two decades later, he established The Burton Awards program, which rewards the finest achievements in law, including legal writing. The program is run in association with the Library of Congress. In 2011, Mr. Burton was presented the highest honor given by the second-largest association of law professors in America, The Legal Writing Institute. At that time, he was recognized for “significantly advancing the cause of legal writing in the profession of law.” More recently, he was awarded the Blackstone Award by the Friends of the Law Library of Congress for “embodying and promoting the best ideals of the institution.”

Comprehensive Index

FOREWORD

In the legal community absolute understanding is the measure of perfection. Perfection in the realm of the courts is the just resolution of issues of fact and questions of law. The primary tool for resolving conflicts among civilized people is through communication by written and oral language. The root of all language is the individual word.

In the English language, each word may have several meanings. Often, it is the use of a specific word or term upon which a case or controversy may hinge. Only by using precise language can the waters remain clear and unclouded allowing justice to take its course unfettered by those who would mislead or misrepresent.

It is through the use of such a tool as the Legal Thesaurus that one may find the precise term to fit the nuances of a particular situation. It may be too much to expect such a tool to eradicate the confusion between “scienter” and “malice.” The difference between “no law” and “no unreasonable law” may also be beyond its scope. But it should clearly demonstrate that “all deliberate speed” is not synonymous with “as slowly as feasible.”

WILLIAM O. DOUGLAS
Justice, U.S. Supreme Court
1939–1975

OCTOBER 22, 1979

Editor’s Note: Justice Douglas served for over 36 years on the Supreme Court, which is the longest term in the history of the U.S. Supreme Court. This foreword is now recorded as one of his last writings.

INTRODUCTION

Before the publication of this book, lawyers and legal writers did not have their own thesaurus to assist them as they wrote their memoranda, motions, pleadings, articles, and communications. This book was compiled specifically to address that need and to provide lawyers and legal journalists with a reference tool to find all the words to fit a thought. Through its use, the goal is to reduce ambiguities and redundancies, replacing them with clear, concise, and plain language.

The fifth edition adds many new and contemporary words that augment the previous versions of the book. It also includes many words and expressions that lawyers use frequently as they practice their profession. It even includes concepts that are examined by the highest appellate courts in the nation.

For members of the judiciary, clear and precise language is indispensable. Every written word is subject to the closest scrutiny and interpretation. Oftentimes, a decision can turn on the meaning of a single word. The words contained in cases often become precedence to shape the future.

To members of the bar, persuasive language is also extremely important. Clearly drafted arguments can be convincing and sway the outcome of pending litigation.

To students of the law, precise and accurate writing is similarly critical to convey their understanding of the law.

The concept of a legal thesaurus was born out of necessity. It had its beginning in 1974, when I was writing a memorandum of law and needed to find the precise words in a particular context. I repeatedly searched for a legal thesaurus in the stores. Finally, my mother said, "If you can't find a legal thesaurus write one yourself !" Five years later, under my direction, a staff of twelve lawyers, librarians, and trained professionals finished the book and fulfilled the need that had been foreseen.

Since the original compilation of the book thirty-five years ago, thousands of entries have been added. In each case, the broadest array of words is provided to fit the thought to be conveyed. In addition to synonyms, the entries include related words. All expressions and colloquialisms that are archaic and stilted have been omitted as synonyms. The words provided are broader than just synonyms. The words provided are often related in meaning and present a complete gamut of words the writer could be searching to find in the drafting process. A legal dictionary should be consulted to determine precise meanings, nuances, and variations in contemporary usage. Only when the true meaning of each word is understood can the appropriate synonym be selected.

At the outset, three criteria were used to select the main entries included in this book: (1) words that are strictly legal, (2) words that are not strictly legal but are commonly used in the legal profession, and (3) words that are not legal or widely used by lawyers but are sufficiently sophisticated to warrant their use. A fourth category has been added to include words that are regularly used by lawyers.

In selecting main headings, words with multiple parts of speech were evaluated. In each case, the noun, adjective, verb, or adverb form included is most commonly used by attorneys.

Whenever a main heading has more than one usage, it is divided into separate subheadings. For convenience, these subheadings are arranged alphabetically.

Under each main entry, the book also provides an alphabetical listing of associated legal concepts. In this way, writers can find complete legal concepts when only a particular word comes to mind.

Foreign phrases used in the practice of law are also included under each main heading. Most reference books list foreign phrases alphabetically under the first letter of the foreign word. This book, however, lists foreign phrases under their pivotal English concepts.

To assist the user in locating synonyms, in addition to the alphabetical arrangement of main entries of the principal words and phrases used in law, a full index includes all words, whether commonly or less frequently used in law.

Through this book I hope that legal writing is enhanced. It is a means to precision. It is a tool that can lead to perfection.

William C. Burton, Esq.
Author

ACKNOWLEDGMENTS

I dedicate this thirty-fifth anniversary edition of my book in honor of my lovely and elegant wife, Michele, and my two delightful children, Brian, who is a member of the bar, and Marni, who I am also very proud of in every way. I am so very lucky they are my family.

I gratefully acknowledge, with profound gratitude and affection, the assistance and motivation given by my loving parents, Martin and Ellen Burton. I am forever indebted to them in providing me with the educational background and resources to undertake the initial compilation of this book. I was inspired by my father's writings and encouraged by my loving and motivating mother.

A special thank-you:

To Donya Dickerson, Executive Editor, McGraw-Hill Education, for her expertise, support, and invaluable input.

To Casie Vogel, Associate Editor, McGraw-Hill Education, for her technical and upbeat assistance.

ABOUT THE BOOK

Here are samples of the comprehensive, easy-to-use listings. All “synonyms” include the broadest range of words the writer may be seeking. Compared with the main heading, these words are sometimes more general or narrower in scope.

delay, detain, deter, estop, fetter, foil, frustrate, halt, hamper, handicap, hinder, hold back, impede, interfere, keep, keep back, limit, obstruct, occlude, rein in, repress, restrain, restrict, retard, set back, set limitations, set limits, slow, stall, staunch, stay, stem, stifle, stop, strangulate, stymie, suppress, thwart, tie up, withhold

CONSTRUCTION, noun clarification, comment, commentary, configuration, conformation, constitution, construability, construal, deduction, definability, definition, delineation, description, diagnosis, exegesis, exemplification, explanation, explicability, explication, exposition, expounding, form, formulation, frame, framework, illumination, inference, interpretability, *interpretatio*, interpretation, meaning, rationale, sense, significance, structure, substance, translation, understanding, version

ASSOCIATED CONCEPTS: construction of a contract, construction of a statute, construction of a writing, construction of will, contemporaneous construction, liberal construction, rule of construction, statutory construction, strict construction

FOREIGN PHRASES: *Contemporanea expositio est optima et fortissima in lege.* Contemporaneous exposition is the best and most powerful in the law. *Quum in testamento ambigue aut etiam perperam scriptum est, benigne interpretari et secundum id quod credible et cogitatum, credendum est.* When an ambiguous or even an erroneous expression occurs in a will, it should be construed liberally and in accordance with what is thought the probable meaning of the testator. *Copulatio verborum indicat acceptionem in eodem sensu.* The coupling of words indicates that they are to be taken in the same sense. *Cum duo inter se pugnancia reperiuntur in testamento, ultimum ratum est.* When two repugnant matters are found in a will, the last will be confirmed. *Curiosa et captiosa interpretatio in lege reprobatur.* A curious and captious interpretation is disapproved. *Verbis standum ubi nulla ambiguitas.* Where there is no ambiguity, one must abide by the words. *Designatio unius est exclusio alterius, et expressum facit cessare tacitum.* The designation of one is the exclusion of the other, and that which is expressed prevails over that which is implied. *In ambigua voce legis ea potius accipienda est significatio quae vitio caret, praesertim cum etiam voluntas legis ex hoc colligi possit.* In an ambiguous expression of law, that interpretation is to be preferred which is

consonant with equity, especially where it is in conformity with the purpose of the law. ***Non aliter a significatione verborum recedi oportet quam cum manifestum est, aliud sensisse testatorem.*** The ordinary meaning of the words ought not to be departed from unless it is evident that the testator intended otherwise. ***Non est novum ut priores leges ad posteriores trahantur.*** It is not novel that prior statutes should give place to later ones. ***Non in legendo sed in intelligendo legis consistunt.*** The laws consist not in being read, but in being understood. ***Omnis definitio in lege periculosa.*** All definition in law is dangerous. ***Omnis interpretatio si fieri potest ita fienda est in instrumentis, ut omnes contrarietates amoveantur.*** Every interpretation of instruments is to be made, if they will admit of it, so that all contradictions may be removed. ***In ambiguo sermone non utrumque dicimus sed id duntaxat quod volumus.*** In ambiguous discourse, we do not use language in a double sense, but in the sense in which we mean it. ***Benedicta est expositio quando res redimitur a destructione.*** Blessed is the exposition when a thing is saved from destruction. ***Benignior sententia in verbis generalibus seu dubiis, est praeferenda.*** The more favorable construction is to be placed on general or doubtful expressions. ***Benignius leges interpretandae sunt quo voluntas earum conservetur.*** Laws are to be liberally construed in order that their intent may be preserved. ***Lex non exacte definit, sed arbitrio boni viri permittit.*** The law does not define exactly, but trusts to the judgment of a good man. ***Lex posterior derogat priori.*** A later statute takes away the effect of a prior one. ***Magis de bono quam de malo lex intendit.*** The law favors a good rather than a bad interpretation. ***Maledicta est expositio quae corrumpit textum.*** It is a cursed construction which corrupts the text. ***Mandata licita strictam recipiunt interpretationem, sed illicita latam et extensam.*** Lawful commands receive a strict interpretation, but unlawful commands a broad and extended one. ***Neque leges neque senatus consulta ita scribi possunt ut omnis casus qui quandoque in sediriunt comprehendatur; sed sufficit ea quae plerumque accidunt contineri.*** Neither laws nor acts of a legislature can be so written as to include all actual or possible cases; it is sufficient if they provide for those things which frequently or ordinarily may happen. ***In stipulationibus cum quaeritur quid actum sit verba contra stipulatorem interpretanda sunt.*** In the construction of agreements words are interpreted against the person offering them. ***Omne majus minus in se complectitur.*** Every greater thing embraces within itself the less. ***Partem***

aliquam recte intelligere nemo potest, antequam totum, iterum atque iterum, perlegerit. No one can rightly understand any part until he has read the whole over again. ***Quamvis lex generaliter loquitur, restringenda tamen est, ut, cessante ratione, ipsa cessat.*** Although a law speaks generally, yet it is to be restrained, so that when its reason fails, it should cease also. ***Quotiens idem sermo duas sententias exprimit, ea potissimum accipiatur, quae rei gerendae aptior est.*** Whenever the same words express two meanings, that is to be adopted which is the better fitted for carrying out the proposed end. ***In ambiguis orationibus maxime sententia spectanda est ejus qui eas protulisset.*** In ambiguous expressions, the intent of the person using them is particularly to be regarded. ***Statutum generaliter est intelligendum quando verba statuti sunt specialia, ratio autem generalis.*** When the words of a statute are special but the reason general, the statute is to be understood generally. ***Tortura legum pessima.*** The torture or wresting of laws is the worst. ***Verba accipienda sunt secundum subjectam materiam.*** Words are to be understood with reference to the subject-matter. ***Verba chartarum fortius accipiuntur contra proferentem.*** The words of a grant are to be taken most strongly against the person offering them. ***Verba generalia generaliter sunt intelligenda.*** General words are to be understood generally. ***Verbis standum ubi nulla ambiguitas.*** Where there is no ambiguity, the words are adhered to. ***Semper sexus masculinus etiam femininum sexum continet.*** The masculine sex of gender always includes the feminine also. ***Semper specialia generalibus insunt.*** Special expressions are always included in general ones. ***Si nulla sit conjectura quae ducat alio, verba intelligenda sunt ex proprietate, non grammatica sed populari ex usu.*** If there be no inference which leads to a different conclusion, words are to be understood according to their proper meaning, not according to a grammatical usage but to a popular and ordinary one. ***Statuta pro publico commodo late interpretantur.*** Statutes enacted for the public good ought to be liberally construed. ***Quando charta continet generalem clausulam, posteaque descendit ad verba specialia quae clausulae generali sunt consentanea, interpretanda est charta secundum verba specialia.*** When a deed contains a general clause, and afterwards descends to special words which are consistent with the general clause, the deed is to be interpreted according to the special words. ***Quando lex est specialis, ratio autem generalis, generaliter lex est intelligenda.*** When the law is special, but its reason is general, the law is to be

understood generally. ***Quando licet id quod majus videtur et licere id quod minus.*** When the greater is allowed, the less is to be deemed to be allowed also. ***Quod in minori valet valebit in majori; et quod in majori non valet nec valebit in minori.*** That which is valid in the greater shall be valid in the less; and that which is not valid in the greater shall not be valid in the less. ***Quum in testamento ambigue aut etiam perperam scriptum est, benigne interpretari et secundum id quod credible et cogitatum, credendum est.*** Where an ambiguous or even an erroneous expression occurs in a will, it should be construed liberally and in accordance with what is thought the probable meaning of the testator. ***Semper in dubiis benigniora praeferenda sunt.*** In doubtful cases, the more liberal constructions are always to be preferred. ***Transgressione multiplicata, crescat poenae inflictio.*** Upon the multiplication of the transgression, let the infliction of punishment increase. ***Ex tota materia emergat resolutio.*** The construction should arise out of the whole subject matter. ***Expressio unius est exclusio alterius.*** The expression of one thing is the exclusion of another. ***Generale dictum generaliter est interpretandum.*** A general expression is to be construed generally. ***Generale nihil certum implicat.*** A general expression implies nothing certain. ***In dubio haec legis constructio quam verba ostendunt.*** In a doubtful case, that construction which the words indicate should be adopted. ***In expositione instrumentorum, mala grammatica, quod fieri potest, vitanda est.*** In the drafting of instruments, bad grammar is to be avoided as much as possible. ***In his enim quae sunt favorabilia animae, quamvis sunt damnosa rebus, fiat aliquando extensio statuti.*** In matters that are favorable to the spirit, though injurious to property, an extension of the statute should sometimes be made. ***In rebus quae sunt favorabilia animae, quamvis sunt damnosa rebus, fiat aliquando extensio statuti.*** In matters that are favorable to the spirit, though injurious to things, an extension of a statute should sometimes be made. ***In stipulationibus cum quaeritur quid actum sit verba contra stipulatorem interpretanda sunt.*** In the construction of agreements, terms are interpreted against the person using them. ***In verbis non verba, sed res et ratio, quaerenda est.*** In the construction of words, not the mere words, but the thing and the meaning, are to be inquired into. ***Injustum est, nisi tota lege inspecta, de una aliqua ejus particula proposita judicare vel respondere.*** It is unjust to give judgment or advice concerning any particular clause of a law without having examined the whole law. ***Interpretatio fienda est ut res magis***

valeat quam pereat. Construction should be such that the transaction may be effective rather than fall. ***Interpretare et concordare leges legibus, est optimus interpretandi modus.*** To interpret and harmonize laws with laws is the best mode of interpretation. ***Interpretatio talis in ambiguis semper fienda est ut evitetur inconveniens et absurdum.*** In ambiguous things, such a construction should be always made that the inconvenient and absurd may be avoided. ***Legis constructio non facit injuriam.*** The construction of law does no wrong. ***Generalis clausula non porrigitur ad ea quae antea specialiter sunt comprehensa.*** A general clause is not extended to include those things that have been previously provided for specially. ***Leges posteriores priores contrarias abrogant.*** Subsequent laws repeal prior laws that are repugnant to them. ***Id quod est magis remotum, non trahit ad se quod est magis junctum, sed e contrario in omni casu.*** That which is more remote does not draw to itself that which is nearer, but the contrary in every case. ***In ambigua voce legis ea potius accipienda est significatio quae vitio caret, praesertim cum etiam voluntas legis ex hoc colligi possit.*** In an ambiguous expression of law, that signification is to be preferred which is consonant with equity, especially when the spirit of the law can be collected from that. ***In obscuris, inspicere solere quod verisimiliter est, aut quod plerumque fieri solet.*** In obscure cases, we usually regard what is most probable or what is done. ***In obscuris, quod minimum est sequimur.*** In obscure or doubtful cases, we follow that which is the least. ***In poenalibus causis benignius interpretandum est.*** In penal causes or cases, the more liberal interpretation should be adopted. ***In re dubia, benigniorem interpretationem sequi, non minus justius est quam tutius.*** In a doubtful matter, to follow the more liberal interpretation is no the more just than it is the more safe. ***Generale tantum valet in generalibus, quantum singulare in singulis.*** That which is general prevails in general matters, as that which is particular prevails in particular matters. ***In ambiguo sermone non utrumque dicimus sed id duntaxat quod volumus.*** In ambiguous language, we do not use it in a double sense, but in the sense in which we mean it. ***Generalia specialibus non derogant.*** General words do not derogate from special. ***Generalia sunt praeponenda singularibus.*** General things are to be put before particular things. ***Generalia verba sunt generaliter intelligenda.*** General words are to be understood generally in a general sense. ***Generalibus specialia derogant.*** Special words derogate from the meaning of general ones. ***Verba posteriora propter certitudinem addita, ad priora***

quae certitudine indigent, sunt referenda. Subsequent words, added for the purpose of certainty, are to be referred to the preceding words which are need of certainty. ***Verbis standum ubi nulla ambiguitas.*** One must abide by the words where there is no ambiguity. ***Generalia praecedunt, specialia sequuntur.*** Things general precede, things special follow. ***In ambiguis orationibus maxime sententia spectanda est ejus qui eas protulisset.*** When there are ambiguous expressions, the intentions of the person who uses them is chiefly to be regarded. ***A verbis legis non est recedendum.*** From the words of a statute, there must be no departure. ***Aliud est distinctio, aliud separatio.*** Distinction is one thing; separation is another.

CONSTRUCTIVE (*Creative*), **adjective** advantageous, applicable, causative, contributive, convenient, cooperative, desirable, developmental, effective, effectual, efficient, fabricative, favorable, formative, generative, helpful, important, improving, instrumental, invaluable, operative, originative, practical, productive, profitable, resultant, serviceable, significant, stimulating, suitable, usable, useful, valuable, worthy, yielding

ASSOCIATED CONCEPTS: constructive contempt, constructive contract, constructive control, constructive conversion, constructive delivery, constructive desertion, constructive escape, constructive eviction, constructive force, constructive fraud, constructive gift, constructive intent, constructive knowledge, constructive malice, constructive mortgage, constructive notice, constructive possession, constructive receipt, constructive total loss, constructive trespass, constructive trust, constructively present

CONSTRUCTIVE NOTICE, **noun** assumption of knowledge, constructive knowledge, legal notice, legally sufficient notice, sufficient

notice to a party, the legal equivalent of actual notice, to put on notice

CONSTRUE (*Comprehend*), **verb** *accipere*, analyze, apprehend, ascertain the meaning of, assimilate, be aware of, be given to understand, cognize, conceive of, conclude, conclude from evidence, consignify, decipher, decode, deduce, deduce by interpretation, deduce the meaning of, deduct, derive by reasoning, determine, determine exactly, discern, disentangle, divine, draw an inference, draw as an implication, explain, fathom, figure out, find out the meaning of, form an opinion, gather, glean, grasp mentally, grow aware, infer, interpret, judge, ken, make deductions, master, opine, perceive, ratiocinate, realize, reason, represent, see through, seize, show the meaning of, solve, take one's meaning, understand, understand by, understand the meaning of

CONSTRUE (*Translate*), **verb** analyze, assign a meaning to, characterize, characterize precisely, clarify, clear up, connote, convey, decipher, decode, define, delineate, demonstrate, denote, depict, describe, disclose, elucidate, enlighten, enunciate, explain, explicate, exposit, expound, express, give explanation to, give sense to, illuminate, illustrate, indicate, inform, interpret, *interpretari*, literalize, make intelligible, of, outline, paraphrase, put a meaning on, put an interpretation, put in other words, render, render intelligible, rephrase, restate, retranslate, reveal, reword, signify, transfuse the sense, unfold, unravel

ASSOCIATED CONCEPTS: construe the law

CONSULT (*Ask advice of*), **verb** advise with, ask, ask advice, ask an opinion, ask for recommendations, ask for suggestions, call in, confer, *consultare*, deliberate, discuss, exchange observations, interchange views, parley, question, seek counsel, seek guidance, seek the opinion of, take counsel, talk over, turn to, ventilate

ASSOCIATED CONCEPTS: consult with counsel

CONSULT (*Seek information from*), **verb** check a reference, check a source, examine a source, inquire of, look up information in, refer to, refer to for information, search for an answer, seek facts from

CONSUME, verb *absumere*, annihilate, burn up, *consumere*, demolish, destroy, devour, disappear, drain, dwindle, eat, empty, eradicate, evaporate, exhaust, expend, spend, squander, swallow, use up, utilize, waste, wear away, wear out

CONSUMER, noun buyer, buyer of labor, client, clientele, coemptor, customer, emptor, leaser, lessee, obtainer, patron, procurer, purchaser, purchaser of goods, shopper, transferee, vendee

ASSOCIATED CONCEPTS: consumer action, consumer credit, consumer fraud, consumers sales tax, ultimate consumer

CONSUMMATE, verb accomplish, achieve, actualize, attain, attain the goal, bring to a close, bring to effect, carry into effect, carry out, carry through, carry to completion, complete, conclude, *conficere*, *consummare*, do thoroughly, effect, effectuate, end, execute, finalize, finish, follow through, fulfill, implement, leave nothing to be desired, perfect, *perficere*, prosecute to a conclusion, reach the goal, realize, render complete, terminate, to bring to completion

ASSOCIATED CONCEPTS: consummate dower, consummation of a marriage, consummation of an agreement, constructive service

FOREIGN PHRASES: *Omne testamentum morte consummatum est.* Every will is consummated by death.

CONSUMPTION, noun *confectio*, *consumptio*, decay, decomposition, decrement, depletion, desolation, destruction, devastation, diminishment, diminution, dissipation, exhaustion, expenditure, loss, ravage, ruin, ruination, squandering, usage, use, using up, utilization, wastage, waste, wastefulness, wear, withering

ASSOCIATED CONCEPTS: business consumption, consumption in interstate commerce, consumption of goods, consumption of intoxicating liquors, for use and consumption

CONTACT (Association), noun accord, acquaintanceship, affiliation, alliance, bond, camaraderie, close union, cooperation, coalition, combination, commerce, communication, community, companionship,

conjunction, connection, consanguinity, consociation, consortium, cooperation, dealings, exchange, federation, fellowship, interchange, intercommunication, intercommunion, intercourse, interrelation, intimacy, kinship, liaison, link, linkage, mutual intercourse, participation, rapport, relation, relationship, tie, transmission, union

ASSOCIATED CONCEPTS: contacts theory in conflicts of law, grouping of contacts

CONTACT (*Touching*), **noun** abutment, abuttal, adhesion, adjacency, coherence, *contactus*, connection, connective, contiguity, contiguousness, contingence, convergence, impact, joining, junction, junction of bodies, juncture, juxtaposition, meeting, nexus, taction, tangency, union

CONTACT (*Communicate*), **verb** call, consociate, *contactus*, correspond, establish connection, get through to, get to, have an exchange, have dealings with, inform, interchange, intercommunicate, make connection, meet with, notify, reach, relate, serve notice, signal

CONTACT (*Touch*), **verb** abut, adjoin, annex, attach, be contiguous, border, border on, bridge, butt against, cohere, collide with, come together, conjoin, connect, converge, embrace, encounter, establish connection, graze, hit, impinge, inosculate, interconnect, join, lie adjacent to, link, meet, osculate, overlap, reach, rub, strike, unite, verge upon

CONTAGIOUS, **adjective** catching, communicable, contaminating, conveyable, epidemic, impartible, infectious, infective, pathogenic, pestiferous, spreading, transferable, transmissible, transmissive

CONTAIN (*Comprise*), **verb** be composed of, be compounded of, be constituted of, be formed of, *capere*, *comprehendere*, consist of, embody, embrace, enfold, envelop, hold, include, incorporate, number, reckon among, subsist of

ASSOCIATED CONCEPTS: containing facts sufficient to constitute a cause of action

CONTAIN (*Enclose*), **verb** beleaguer, belt, bind, blockade, border, close in, confine, *continere*, embox, embrace, encapsulate, encase, encincture, encircle, enclasp, encompass, engird, ensphere, envelop, enwrap, fence in, frame, immure, incase, inclose, infold, keep in, quarantine, seal up, shut in, surround

CONTAIN (*Restrain*), **verb** arrest, barricade, bind, block, bridle, cage, chain, check, commit to prison, confine, constrain, control, curb, detain, enchain, encumber, enjoin from, fetter, fend, hinder, hold back, hold in check, hold in custody, impede, impound, imprison, incarcerate, inhibit, jail, keep in captivity, keep in check, keep prisoner, keep under arrest, keep under control, lock up, manacle, obstruct, pinion, place in durance, prohibit, quash, quell, repress, restrict, shackle, stave off, stop, subdue, suppress, thwart, trammel, ward off

CONTAMINATE, **noun** abomination, adulteration, befoulment, contagion, defilement, infection, poisoning, pollution, taint, vitiation

CONTAMINATE, **verb** adulterate, befoul, corrupt, debase, defile, degenerate, degrade, denaturalize, desecrate, disease, impair, infect, mar, poison, pollute, profane, sully, tamper with, taint, tarnish, vitiate

CONTAMINATION, **noun** adulteration, corruption, debauchment, decay, defilement, degradation, despoilment, impureness, impurity, infection, pollution, vitiation

CONTEMN, **verb** abhor, abominate, accuse, asperse, be contemptuous of, belittle, besmirch, calumniate, cast aspersions, censure, criticize, debase, debauch, decry, defile, denigrate, denounce, depreciate, deride, derogate, desecrate, despise, detest, disapprove, discredit, disdain, disesteem, dishonor, disparage, disprize, disrate, disregard, disrespect, execrate, expose, exprobate, feel contempt for, flout, hold in contempt, hold in despite, inveigh against, loathe, malign, misprize, not respect, objurgate, oppress, overlook, rebuff, reject, reproach, repudiate, repulse, resent, revile, ridicule, scandalize, scoff at, scorn, slight, slur, smear, spurn, taint, vilify, vilipend, vituperate

CONTEMPLATE, verb analyze, anticipate, brood, calculate, cogitate, consider, deliberate, discern, dwell upon, entertain, envisage, examine, fixate, fret, meditate, mull over, muse, obsess, opine, perpend, pontificate, pore over, question, reason, reflect, review, revolve, ruminate, scrutinize, speculate, think over, turn, weigh, wrestle

CONTEMPLATION, noun absorption, aim, attention, brooding, calculation, cerebration, cogitation, concentration, consideration, *contemplatio*, deliberateness, deliberation, design, determination, engrossment, envisagement, envisionment, examination, excogitation, expectance, expectation, forethought, goal, inspection, intellectualization, intent, intention, introspection, musing, observance, pensiveness, plan, pondering, preoccupation, prospect, purpose, ratiocination, reasoning, reflection, resolve, reverie, review, rumination, scrutiny, seriousness, speculation, study, surveillance, thought, thoughtfulness, weighing

ASSOCIATED CONCEPTS: contemplation of assignment, contemplation of bankruptcy, contemplation of insolvency, contemplation of marriage, contemplation of parties, in contemplation of death

CONTEMPORANEOUS, adjective coeval, coexistent, coexisting, coincident, coinciding, coinstantaneous, concomitant, concurrent, concurring, contemporary, correspondent, corresponding, *quod eodem tempore est*, simultaneous, synchronal, synchronistic, synchronous

ASSOCIATED CONCEPTS: contemporaneous agreement, contemporaneous declaration, contemporaneous exposition, contemporaneous forgeries, contemporaneous memorandum, contemporaneous transaction

CONTEMPORARY, adjective coexistent, latest, modern, new, present day, up-to-date, up-to-the-minute

CONTEMPT (*Disdain*), noun abhorrence, abomination, animosity, arrogance, aspersion, aversion, condemnation, contemptuousness, *contemptus*, contumely, debasement, defilement, denigration, denunciation, deprecation, depreciation, derision, derogation, detestation, detraction, disapprobation, disapproval, disdainfulness, disesteem, disfavor, disgust, dislike, disparagement, dispraise, disregard, disrepute, disvaluation,

fastidium, imprecation, incivility, indignant aversion, infamy, insolence, malediction, misprision, objurgation, obloquy, odium, oppo-
sure, opprobrium, rebuff, reproach, reprobation, reproof, reproof, repugnance, revilement, revulsion, ridicule, scorn, scurrility

FOREIGN PHRASES: *Qui contemnit praeceptum contemnit praecipientem.* He who contemns a precept contemns the party who gives it.

CONTEMPT (*Disobedience to the court*), **noun** audacity, contemptuous resistance, contumaciousness, contumacy, contumely, defiance of orders, deprecation, dereliction, disaffection, disobedience, disposition to resist, disregard of orders, disrespect, disrespectfulness, dissension, encroachment, fractiousness, impertinence, improbity, impudence, indiscipline, indocility, infringement, inobservance, insolence, insubmission, insubordination, intractableness, irreverence, nonadherence, noncompliance, noncooperation, nonobservance, obstinacy, obstructionism, perverseness, recalcitrance, recusancy, refractoriness, refusal to obey orders, reproach, repudiation, repulsion, resistance, resistance to authority, restiveness, rudeness, undutifulness, unobservance, unruliness, unsubmitiveness, unwillingness, violation of orders, willful disregard

ASSOCIATED CONCEPTS: aggravated contempt, civil contempt, common-law contempt, constructive contempt, contempt of court, continuing contempt, criminal contempt, evasive contempt, judicial contempt, obstruction of justice, summary contempt

CONTEMPTIBLE, **adjective** abhorrent, *abiectus*, abject, abominable, atrocious, base, blameworthy, censurable, condemnable, condemnatory, contemned, *contemnendus*, *contemptus*, contumelious, corrupt, culpable, damnable, deplorable, depraved, despicable, despised, detestable, discreditable, disgraceful, disgusting, dishonorable, disreputable, egregious, evil, execrable, foul, fulsome, hateful, heinous, horrendous, horrible, ignominious, infamous, inglorious, insidious, insufferable, loathsome, nefarious, noxious, objurgatory, odious, offensive, opprobrious, perfidious, repellent, reprehensible, reproachful, reprobative, repugnant, repulsive, shameful, shameless, unworthy, vile, villainous, wicked, worthless

ASSOCIATED CONCEPTS: contemptible criminal act

CONTEMPTUOUS, *adjective* abasing, abject, abominable, abusive, accusatory, arbitrary, arrogant, base, brazen, bumptious, calumniating, calumniate, calumnious, challenging, compromising, contemptible, contumelious, damaging, decrying, defamatory, defiant, defying, denigratory, denunciatory, depreciating, depreciative, derisive, derisory, derogative, derogatory, detestable, detracting, disapproving, discourteous, disdainful, dishonorable, dishonoring, dislikable, disparaging, disregardful, disrespectful, execrable, expressing disdain, flouting, forward, harsh, hateful, ignominious, impertinent, impudent, indignant, infamous, injuring, injurious, insinuating, insolent, insulting, irreverent, libelous, maledicent, malevolent, malicious, malignant, maligning, manifesting contempt, nefarious, objectionable, obnoxious, obtrusive, offensive, opprobrious, repellent, reproachful, reproaching, repugnant, repulsive, reviling, rude, scandalous, scornful, slighting, spiteful, uncivil, vile, vituperative

petitioner, polemist, pugilist, respondent, rival, striver, suitor, the prosecution

CONTENT (*Meaning*), **noun** accepted meaning, aim, basis, bearing, cardinal point, chief constituent, chief part, denotation, design, drift, emphasis, essence, essential matter, essential meaning, essential part, exegesis, explanation, explication, exposition, force, general meaning, gist, gravamen, impact, implication, import, intent, intention, interpretation, literal interpretation, literal meaning, literal sense, literality, main point, matter, matter of cognition, meaningfulness, motif, nature, object, obvious interpretation, obvious meaning, obvious sense, plain meaning, point, *prima facie*, primary element, primary meaning, purport, purpose, quiddity, quintessence, salient point, scope, sense, *sensus*, *sententia*, significance, significant part, signification, *significatio*, spirit, subject, subject matter, substance, substantial meaning, sum, sum and substance, tenor, text, theme
ASSOCIATED CONCEPTS: content contained in an instrument, content of a contract, content of a note

CONTENT (*Structure*), **noun** anatomy, arrangement of parts, body, combination, complement, composite, composition, configuration, conformation, constitution, construction, contexture, core, design, form, format, formation, framework, interrelation, makeup, nature, organization, pattern, plan, setup, style of arrangement

CONTENTION (*Argument*), **noun** allegation, area of disagreement, argumentation, cause, conflict, contest, controversy, debate, discord, *disputatio*, disputation, dispute, disputed point, ground, issue, legal dispute, legal issue, plea, point, polemic, proposition, reason, root of dissension

CONTENTION (*Opposition*), **noun** antagonism, challenge, clashing, combat, competition, competitiveness, conflict, contentiousness, contest, contestation, contrariety, contravention, controversy, counteraction, cross purposes, debate, difference, disaccord, disagreement, discord, disharmony, disputation, dispute, dissension, dissent, dissidence, dissonance, divergence, enmity, faction, factiousness, feud, fight, friction, hostility, inimicality, irreconcilability, protest, protestation, quarrel, quarreling, quarrelsomeness,

recrimination, resistance, rivalry, schism, strife, struggle, unappeasability, velitation, wrangling

CONTENTIOUS, *adjective* aggressive, argumentative, bellicose, belligerent, cantankerous, captious, caviling, combative, competitive, contrary, contumacious, cross, discordant, disputatious, dissentious, factious, inimical, irascible, litigious, militant, noncooperating, nonpacific, obstinate, perverse, polemical, pugnacious, *pugnax*, quarrelsome, recalcitrant, schismatic, stubborn, uncooperative, unfriendly, unpacific, unpeaceful, wrangling

CONTENTS, *noun* components, constituents, details, drift, essence, gist, items, meaning, parts, pith, scope, sense, subject, subject matter, subject of thought, substance, text, themes, thesis, topics

ASSOCIATED CONCEPTS: contents of a chose in action, contents of a note

CONTEST (*Competition*), *noun* bout, *certamen*, *certatio*, challenge, clash, corrivalry, emulation, encounter, engagement, game, match, opposition, pitting of strengths, race, rivalry, rivalryship, sport, sporting event, struggle, test of endurance, tournament, tourney, trial

ASSOCIATED CONCEPTS: election contest

CONTEST (*Dispute*), *noun* action, altercation, antagonism, argument, battle, bickering, brawl, challenge, clash, combat, contention, controversion, controversy, debate, difference of opinion, disaccord, disagreement, disceptation, discord, disharmony, disputation, dispute, dissension, dissent, dissonance, embroilment, encounter, failure to agree, feud, fight, fracas, fray, impugnation, impugment, inharmony, litigation, monomachy, noncomformity, obstinacy, opposition, oppugnancy, polemics, quarrel, recalcitrance, recusancy, resistance, revolt, skirmish, squabble, strained relations, strife, variance, verbal contention, verbal engagement, war, war of words, wrangle

ASSOCIATED CONCEPTS: notice of contest, will contest

CONTEST, *verb* altercation, argue, battle, call to answer, challenge, combat, conflict, contend, c *ontendere*, contradict, contravene, controvert, counter, debate, defy, disaffirm, disagree, dispute, fight, gainsay, grapple with, impugn, object, oppose, oppugn, quarrel over, question, refuse to accept, refuse to admit, resist, struggle, take exception to, traverse, vie with
ASSOCIATED CONCEPTS: contest a will, contest an election, contest an insurance policy, contested case

CONTESTABLE, *adjective* at issue, close, competing, confutable, controversial, controvertible, debatable, deniable, disputable, questionable, refutable

CONTESTANT, *noun* adversary, adverse party, aemulus, antagonist, appellant, battler, belligerent, candidate, challenger, claimant, combatant, complainant, contender, tester, corival, disputant, foe, libelant, litigant, opponent, opposer, opposing party, opposition, oppositionist, participant, party to a suit, *petitor*, rival, suitor

ASSOCIATED CONCEPTS: contestant to a will

CONTEXT, *noun* *argumentum*, background, circumstance, coloring, connection, connotation, extended meaning, force, gist, implication, import, main meaning, meaning, mode of expression, purport, range of meaning, scope, sense, subject matter, sum and substance, surroundings, tenor, text, topic

FOREIGN PHRASES: *Nemo enim aliquam partem recte intelligere possit antequam totum iterum atque iterum perlegerit.* No one can rightly understand one part before he has again and again read the whole.

CONTIGUOUS, *adjective* abutting, adjacent, adjoining, against, at close quarters, beside, bordering, bounding, close, *confinis*, conjoining, conjunct, connected, conterminous, *continens*, convergent, coupled, edging, end-to-end, fringing, in close proximity, in common boundaries with, in contact, joined, meeting, near, neighboring, next to, on the confines of, on the edge of, proximal, proximate, side-by-side, touching, verging

ASSOCIATED CONCEPTS: contiguous lands, contiguous municipalities, contiguous property, contiguous territory

CONTINENCE, *noun* abstinence, abstention, abstinence, asceticism, chastity, conservatism, *continentia*, eschewal, forbearance, moderateness, moderation, prudence, renunciation, restraint, self-command, self-control, self-denial, self-discipline, self-restraint, sobriety, stoicism, temperance, *temperantia*, temperateness

ASSOCIATED CONCEPTS: continuance of a lawsuit

CONTINGENCY, *noun* accident, befalling, *casus*, chance, circumstance, circumstantial event, coincidence, conditional event, contingency, contingent, contingent event, dependent event, doubtful event, fortune, hap, happening, inadvertence, incident, luck, occurrence, possibility, uncertain event, uncertainty, unforeseen occurrence, unintentional happening

ASSOCIATED CONCEPTS: contingency contract, double contingency, unavoidable contingency, unforeseen contingency, unusual or extraordinary contingencies

FOREIGN PHRASES: *Casus fortuitus non est sperandus, et nemo tenetur devinare.* A fortuitous event is not to be expected, and no one is bound to foresee it.

CONTINGENT, *adjective* attributed to, coincidental, conditioned, consequential, dependent, dependent on, dependent on circumstances, depending, due to, in a state of uncertainty, incident to, possible, provisional, resulting from, subject to, subject to terms, subsidiary

ASSOCIATED CONCEPTS: contingent basis, contingent claim, contingent contract, contingent debt, contingent demand, contingent estate, contingent event, contingent expectancy, contingent fee, contingent fund, contingent gift, contingent interest, contingent legacy, contingent liability, contingent life estate, contingent obligation, contingent remainder, contingent right, contingent use, contingent will

CONTINGENT-FEE AGREEMENT, *noun* conditional fee, contingent-fee arrangement, contingency fee, fee conditioned on success, fee

dependant on an outcome, outcome-dependant fee, payment conditioned on success, payment contingent on success, payment depending on the recovery

CONTINUAL (*Connected*), **adjective** constant, constantly recurring, continued, continuing, *continuus*, nonstop, of regular recurrence, perennial, persistent, proceeding without cessation, proceeding without interruption, regular, steadfast, steady, sustained, unbroken, unceasing, unchanging, unintermitted, uninterrupted, unremitting, unstopped

CONTINUAL (*Perpetual*), **adjective** *adsiduus*, boundless, ceaseless, continuous, endless, eternal, everlasting, incessant, infinite, interminable, never-ending, permanent, *perpetuus*, sempiternal, unceasing, unending, unstopped, unvarying

CONTINUANCE, **noun** abiding, adjournment of a cause, adjournment of a proceeding, admission of postponement, *adsiduitas*, *continuatio*, continuation, endurance, extension, lasting, lengthening, perpetuation, *perpetuitas*, perseverance, persistence, postponement, prolongation, protraction, stay, sustained action

ASSOCIATED CONCEPTS: continuance in office, continuance of a nonconforming use, continuance of a partnership, continuance of a proceeding, continuance of criminal case, presumption of continuance

CONTINUATION (*Prolongation*), **noun** addition, adherence, *adsiduitas*, augmentation, continuance, *continuatio*, extension, lengthening, maintenance, perpetuation, *perpetuitas*, perseverance, persistence, preservation, protraction, stretching, sustaining, sustenance

ASSOCIATED CONCEPTS: continuation of a business, continuation of a condition, continuation of a fact, continuation of a lien, continuation of an easement, continuation of service

CONTINUATION (*Resumption*), **noun** carrying on, continuance, fresh start, new beginning, new start, proceeding, reestablishment,

recommencement, recurrence, reinstatement, reinstatement, renewal, reopening, restoration, return, reversion, supplementation

ASSOCIATED CONCEPTS: continuation of a proceeding, continuation of a suit

CONTINUE (*Adjourn*), **verb** arrest temporarily, defer, delay, discontinue, hold over, interrupt, keep pending, lay aside, lay over, postpone, prorogue, put over, put over to a future date, recess, respite, restrain, set for a later time, shelve, stall, stay, suspend, table, tide over

ASSOCIATED CONCEPTS: continue an action, grant of a continuance

CONTINUE (*Persevere*), **verb** abide, be durable, be permanent, bide, exist, forge ahead, go on, keep, last, linger, maintain, move ahead, persevere, persist, *persistere*, press onward, prevail, progress, promote, pursue, stay on, subsist, sustain

ASSOCIATED CONCEPTS: continuing application, continuing contracts, continuing nuisance, continuing offer, continuing trespass, continuing wrong

CONTINUE (*Prolong*), **verb** arrange in succession, drag out, draw out, *durare*, extend, extend in duration, lengthen, maintain, maintain continuity, perpetuate, preserve, protract, retain, *stare*, sustain, uphold

ASSOCIATED CONCEPTS: continue in force and effect, continue in office, continue to carry on business, continued and uninterrupted use, continued concealment, continued good health, continued possession, continuing accumulation, continuing affirmative act, continuing and subsisting trust, continuing body, continuing conspiracy, continuing contempt, continuing crime, continuing duty, continuing guaranty, continuing jurisdiction, continuing loan, continuing obligation, continuing offense, continuing offer, continuing proceeding, continuing representation, continuing right, continuing tort, continuing trust

CONTINUE (*Resume*), **verb** begin again, begin over, carry on, carry over, go back to, make a new beginning, proceed, reestablish, rebegin, recommence, reinstate, reinstitute, renew, reopen, restore, return to, take up again

CONTINUITY, *noun* coherence, connectedness, connection, consecution, consecutiveness, consistency, constancy, continualness, continuance, *continuatio*, continuation, continuousness, continuum, incessancy, permanence, *perpetuitas*, perpetuity, progression, protraction, sequence, succession, successiveness, unintermittedness, uninterrupted connection, uninterruptedness, uninterruptedness

CONTINUOUS, *adjective* ceaseless, consecutive, constant, continual, continuing, endless, extended, following, incessant, never-ending, perennial, perpetual, progressive, prolonged, repeated, running, sequential, steady, sustained, unbroken, unceasing, unending, unfaltering, unintermittent, unintermitting, uninterrupted, unremitting, unstopped, without cessation, without interruption

ASSOCIATED CONCEPTS: continuous absence, continuous account, continuous activity, continuous adverse possession, continuous and unbroken, continuous and uninterrupted use, continuous course of business, continuous crime, continuous disability, continuous easement, continuous guaranty, continuous injury, continuous nuisance, continuous possession, continuous residence, continuous servitude, continuous tort, continuous use, continuous wrong, continuously carry on, continuously confined, continuously disabled, continuously employed

CONTORT, *verb* bend, bend out of shape, deform, *deterquere*, dislocate, *distorquere*, distort, knot, misshape, pervert, turn, twine, twist, twist and turn, wind, wrench, wrest, wrinkle, writhe

CONTOUR (*Outline*), *noun* ambit, bounds, circle, circuit, circumference, circumscription, configuration, delineation, diagram, figuration, figure, form, frame, framework, laterality, *lineamenta*, lines, main features, outside, perimeter, periphery, picture, plan, profile, relief, rough sketch, silhouette, skeleton, sketch, structure, *tournure*

CONTOUR (*Shape*), *noun* configuration, conformation, feature, *figura*, figuration, figure, form, *forma*, formation, frame, lines, profile, relief, sculpture, silhouette, structure, substance, substantial form, turn

CONTRA, *adverb* adverse to, against, con, contrarily, contrariwise, contrawise, conversely, counter, in conflict with, in contrast to, in opposition to, inversely, loathe to, on the contrary, on the other hand, opposed to, opposite, oppositely, otherwise, *per contra*, quite the contrary, to the contrary, versus, vice versa

CONTRA, *noun* antipode, antithesis, antonym, contrary, converse, counter, extreme, inverse, obverse, offset, opposite, reverse, the other side

CONTRA, *preposition* adverse to, against, at cross purposes, athwart, contrariwise, counter, in conflict with, in opposition to, opposed to, opposite to, over against, versus, vis-à-vis

ASSOCIATED CONCEPTS: acceptance of a contract, accessory contract, action on contract, adhesion contract, aleatory contract, alteration of a contract, alternative contract, anticipatory breach of contract, assent to a contract, assignment of a contract, bilateral contract, breach of a contract, breach of contract, cancellation of a contract, claim arising on contract, collateral contract, collective agreement, commercial contract, concurrent contracts, conditional acceptance of a contract, conditional agreement, conditional contract, consideration in a contract, constructive contract, contingency contract, continuing contract, contract action, contract carrier, contract for an option, contract implied in fact, contract obligation, contract of agency, contract of carriage, contract of employment, contract of guaranty, contract of hire or hiring, contract of indemnity, contract of insurance, contract of record, contract of sale, contract of subscription for stock, contract of suretyship, contract price, contract rights, contract to lease, contract to purchase, contract to sell, contracting out work, de facto contract, divisible contract, endowment contract, enforceable contract, exclusive contract, executed contract, executory contract, express contract, fictitious contract, fiduciary contract, formal contract, fraudulent contract, future contract, general contract, government contract, gratuitous contract, guaranty contract, illegal contract, illusory contract, immoral contract, impairing the obligation of contract, implied contract, indivisible contract, inequitable contract, installment contract, joint contract, liberty of contract, lump sum contract, marriage contract, material alteration of contract, material breach of contract, obligation of contract, optional contracts, oral contract, parol agreement, parties to a contract, passive breach of contract, performance of a contract, preexisting contracts, private contract, privity of contract, public contract, quasi contract, reformation of a contract, release from a contract, renunciation of a contract, repudiation of a contract, requirements contract, rescission of a contract, restitution on a contract, revival of a contract, right to contract, sealed contract, separable contract, service contract, severable contract, specialty contract, subcontract, surety contract, third-party beneficiary contract, unconditional contract, unconscionable contract, unenforceable contract, unilateral contract, unlawful contract, valid contract, verbal contract, void contract, written contract

FOREIGN PHRASES: *Vox emissa volat; litera scripta manet.* Words spoken vanish; the written letter remains. *Qui cum alio contrahit, vel est, vel debet esse non ignarus conditionis ejus.* He who contracts with another is not, or

ought not to be ignorant of his condition. ***Praescriptio et executio non pertinent ad valorem contractus, set ad tempus et modum actionis instituendae.*** Prescription and execution do not affect the validity of the contract, but the time and manner of instituting an action. ***Ex turpi contractu actio non oritur.*** From an immoral contract an action does not arise. ***Dolo malo pactum se non servaturum.*** An agreement induced by fraud is not valid. ***Pacto aliquod licitum est, quid sine pacto non admittitur.*** By agreement, things are allowed which are not otherwise permitted. ***Nulla pactione effici potest ne dolus praestetur.*** By no agreement can it be effected that a fraud shall be maintained. ***In contractibus, benigna, in testamentis, benignior; in restitutionibus, benignissima interpretatio facienda est.*** In contracts, the interpretations should be liberal; in wills, more liberal; in restitutions, most liberal. ***Scientia utrinque par pares contrahentes facit.*** Equal knowledge on both sides makes the contracting parties equal. ***Pacta conventa quae neque contra leges, neque dolo malo inita sunt, omni modo observanda sunt.*** Agreements which are not contrary to the laws, nor fraudulently entered into, are in all respects to be observed. ***Pactis privatorum juri publico non derogatur.*** Private contracts do not derogate from public law. ***In stipulationibus cum quaeritur quid actum sit verba contracti pulatorem interpretanda sunt.*** In agreements, when the question is what was agreed upon, the terms are to be interpreted against the party offering them. ***Privatis pactionibus non dubium est non laedi jus caeterorum.*** There is no doubt that the rights of others cannot be prejudiced by private agreements. ***In omnibus contractibus, sive nominatis sive innominatis, permutatio continetur.*** In all contracts, whether nominate or innominate, an exchange (i.e., a consideration) is implied. ***Pacta quae contra leges constitutionesque vel contra bonos mores fiunt, nullam vim habere, indubitati juris est.*** It is unquestionably the law that contracts which are made contrary to the laws or against good morals have no force in law. ***Nemo tenetur ad impossibile.*** No one is bound to an impossibility. ***Pacta dant legem contractui.*** Stipulations constitute the law for the contract. ***Pacta que turpem causam continent non sunt observanda.*** Contracts which are based on an unlawful consideration will not be forced. ***Conventio vincit legem.*** The agreement of parties controls the law. ***Contractus ex turpi causa, vel contra bonos mores, nullus est.*** A contract founded on a base consideration, or one against good morals, is null. ***Nudum pactum est ubi nulla subest causa***

praeter conventionem; sed ubi subest causa, fit obligatio, et parit actionem. A naked contract is where there is no consideration for the agreement; but where there is a consideration, an obligation is created and gives rise to a right of action. *Modus et conventio vincunt legem.* Custom, convention, and an agreement of the parties overrule the law. *Conventio facit legem.* An agreement creates the law (i.e. the parties to a binding contract will be held to their promises). *Ex nudo pacto non oritur actio.* No action arises on a contract without a consideration. *Contractus legem ex conventionem accipiunt.* Contracts receive legal sanction from the agreement of the parties. *Naturale est quidlibet dissolvi eo modo quo ligatur.* It is natural for a thing to be unbound in the same way in which it was made binding. *Nihil tam conveniens est naturali aequitati quam unumquodque dissolvi eo ligamine quo ligatum est.* Nothing is so agreeable to natural equity as that a thing should be dissolved by the same means by which it was bound. *In conventionibus, contrahentium voluntas potius quam verba spectari placuit.* In contracts, it is the rule to regard the intention of the parties rather than the actual words. *Ex maleficio non oritur contractus.* No contract is born of wrongdoing. *Ex pacto illicito non oritur actio.* From an unlawful agreement, no action will lie. *In contrahenda venditione, ambiguum pactum contra venditorem interpretandum est.* In the negotiation of a sale, an ambiguous agreement is to be interpreted against the seller. *In contractibus, rei veritas potius quam scriptura perspici debet.* In contracts, the truth of the matter ought to be regarded as more important than the writing. *In contractibus, tacite insunt quae sunt moris et consuetudinis.* In contracts, matters of custom and usage are tacitly implied. *Incerta quantitas vitiat actum.* An uncertain quantity vitiates the act. *Legem enim contractus dat.* The contract makes the law. *Nuda pactio obligationem non parit.* A naked promise does not create a binding obligation. *Eisdem modis dissolvitur obligatio quae nascitur ex contractu, vel quasi, quibus contrahitur.* An obligation which arises in contract, or quasi contract, is dissolved in the same ways in which it is contracted.

CONTRACT, verb accept an offer, agree, *contrahere*, covenant, engage, enter into, *locare*, make a bargain, make terms, obligate oneself, pledge, promise, undertake, undertake by contract

ASSOCIATED CONCEPTS: contract to perform services

CONTRACT OBLIGATION, *noun* avowal, bond, commitment, compact, concordant, condition, covenant, guarantee, indenture, issue, liability, pact, pledge, promise, provision, proviso, specific obligation, specific term, term, warranty
