

### Expo Booth Application

Date: \_\_\_\_\_

Take advantage of a whole new customer base in the atmosphere of an open-air market! We are filling as many Expo booths per market day as space and approval of applications will allow. Market days are Wednesdays and Saturdays, 7am to 1pm starting mid-April thru the end of October.

#### Rules and requirements:

- Applications will have to be pre-approved by the Board of Directors.
- You will need to supply your own tables, tablecloth, chairs, tent, weights, and electrical cord if electricity is needed. (All are required)
- If you will be doing a cooking demo, please use a recipe that would require fruits or vegetables that are in season on your set-up date and vendors will donate a limited amount to promote their product.
- A copy of current vehicle insurance must be submitted to Ryan Frakes before sales can be made. (Text or email to the contact information below.)
- Dates can be held with pre-approved applications and a fee of \$25. Fees are non-refundable.
- Arrival time of 7am is best for stall placement.
- For cancellations, please call any time before 6:30 AM the day of your scheduled date.
