Green River - Rock Springs - Sweetwater Co - JOINT POWERS WATER BOARD

Meeting Minutes

Meeting Date: July 23, 2020

Type of Meeting: Regular Board Meeting

1. Call to Order

The Joint Powers Water Board meeting was held by remote computer access and teleconference. Chairman Eddins called the meeting to order at 3:00 p.m.

2. **Roll Call**

A quorum was present with John Eddins and Gene Legerski (RS), Terry Leigh and JaNell Hunter (GR), Hilary Huckfeldt (SW Co) present. Ms. Sage Hilstad, Council for the Board was in attendance. Staff attending were; Bryan Seppie, General Manager, Michael Tardoni, Engineer and Sara Richardson, Office Manager.

3. Approval of Agenda

Mr. Legerski made a motion to approve the agenda. Mr. Leigh seconded the motion. The motion was voted on and passed.

Approval of the June 11, 2020 FY2021 Budget Public Hearing Minutes 4.

Mr. Leigh made a motion to approve the June 11, 2020 FY2021 Budget Public Hearing Minutes. Ms. Hunter seconded the motion. The motion was voted on and passed with Mr. Legerski and Ms. Huckfeldt abstaining.

Approval of the June 11, 2020 FY2020 Budget Amendment Public Hearing Minutes 5. Mr. Leigh made a motion to approve the June 11, 2020 Budget Amendment Public Hearing minutes. Ms. Hunter seconded the motion. The motion was voted on and passed with Mr. Legerski and Ms. Huckfeldt abstaining.

Approval of June 11, 2020 Board Meeting Minutes 6.

Mr. Legerski made a motion to approve the June 11, 2020 Board Meeting minutes. Ms. Hunter seconded the motion. The motion was voted on and passed with Ms. Huckfeldt abstaining.

Mr. Leigh welcomed Ms. Huckfeldt to the Board. Chairman Eddins thanked Ms. Huckfeldt for volunteering to serve on the Board and stated that her position as the Sweetwater County appointee was very critical as it would make or break the quorum.

Ms. Huckfeldt stated that she understood the importance of her appointment.

7. **Approval of May 2020 Financial Reports**

Mr. Legerski made a motion to approve the May 2020 financial reports. Ms. Hunter seconded the motion. The motion was voted on and passed.

8. **June 2020 Water Sales and Usage Reports**

Mr. Seppie presented the Board on the June 2020 Water Sales and Usage. June's sales fell in line nicely to prior years. June usage was average in Rock Springs but lower than average in Green River. Simplot's usage was also a little lower than average. In August Simplot is planning maintenance work. This work is usually done in May so it will be interesting to see the change in usage next month. Simplot has installed VFD's in their pump station; this makes it more challenging to compare to historic usage. However, looking at the daily production numbers for July, the month appears to be average to slightly above average.

9. Presentation of Water Resource Planning Letter - Tyrrell Resources, LLC

Chairman Eddins stated that this was a valuable document discussing the JPWB's water resources and water rights. The Board had reached out to Tyrrell Resources, LLC. Mr. Tyrrell was the State Engineer for numerous years and is very knowledgeable. Mr. Seppie stated that in the Board packets was a letter he and Mr. Tyrrell had worked on. The purpose of the letter was to outline how water rights and water resource planning will move forward. It was apparent that the work needed to be phased. In the first phase, Mr. Tyrrell will memorialize the foundational information and the understanding of what the Board currently has regarding water resources. The intent of this first phase is to memorialize the findings so that future General Managers and Boards don't have to revisit the issues; unless something fundamentally changes.

Mr. Seppie went on to explain several aspects of the letter regarding the Board current water rights and how the plant's SCADA system is documenting the current usage to prove we are exercising those rights. He discussed the water rights that the Board holds and of those which are the most senior in priority. What is not currently understood at the State level, is the methodology if a consumption curtailment needs to be implemented. Phase I will report on items A. through F.1. Then the Board can evaluate the findings from the report and have an opportunity to decide how they want to move forward in Phase II.

10. Consideration of Tyrrell Resources, LLC Consulting Agreement

Mr. Seppie gave a clarification regarding specific language in the agreement. The section of the agreement concerning confidentiality (paragraph 3) is unrealistic and had to been removed. This minor change occurred after the Board packets were sent out. Mr. Seppie suggested the Board accept the agreement excluding the section on confidentiality (paragraph 3).

Chairman Eddins then entertained a motion to approve the Consulting Agreement, as amended, between the Board and Tyrrell Resources, LLC and authorize Mr. Seppie to sign. Mr. Leigh made a motion to approve the stated motion. Ms. Huckfeldt seconded the motion. The motion was voted on and passed.

11. Operational and/or Project Updates

Mr. Seppie had two project updates; the first being Crossroad Pump station project. The appraisals for the pump station site and pipeline corridor have been received. The appraisals will be used for discussions with the landowners and will also serve as a basis for reimbursements from Water Development. This is a critical path item in the design process; easements must be secured prior to progressing beyond the 50% design point.

The next update concerns the completion project for the Reservoir. The Board had solicited proposals for a completion engineer; three firms submitted a Statement of Interest. All three can perform the work, so all three were provided with the RFP packet. The site inspections were unique for this project because of the large amount of documentation. Each firm was given an individual site visit to insure small groups of people. The next milestone will be for the firms to prepare a proposal which will be due July 31, 2020. The selection committee will then discuss the proposals and decide the number of firms to interview. The interviews will be conducted Aug 12 & 13 at the Court House.

The selection committee can then make their recommendations after evaluating the proposals along with the interviews. The Board may have to hold a Special meeting to consider the firm's contract. Mr. Seppie reminded the Board that they will have to obtain the Wyoming Water Development Committee concurrence on the contract before the Board may act.

Chairman Eddins asked that the record show he will have to abstain from any decision regarding the selection of the completion engineer. Mr. Eddins' firm is a subconsultant to one of the firms proposing on the project.

12 **Public Comments**

Mr. Westenskow, Public Works Director for the City of Green River, was on the teleconference and thanked the Board and Mr. Seppie for the work they do. Mr. Seppie thanked Mr. Westenskow and the City.

13. **Good of the Order**

None

14. Executive Session

Chairman Eddins stated that there was a need for an Executive Session to discuss a personnel issue and a contract issue.

Mr. Legerski made a motion to move into Executive Session at 3:46 p.m. Mr. Leigh seconded the motion. The motion was voted on and passed.

Ms. Hunter made a motion to reconvene the Regular meeting at 4:12 p.m. Mr. Legerski seconded the motion. The motion was voted on and passed.

Coming out of executive session the Board acted on the General Manager's contract. Mr. Legerski made a motion to approve a 5% pay increase for Mr. Seppie, (comprised of 2.2% COLA and 2.8% step increase) and authorized the Chairman to sign the contract. Ms. Hunter seconded the motion. The motion was voted on and passed.

Next the Board took action to approve Mathey Law Office PC's invoice #2002, for work completed by Ms. Mathey before her resignation. The Board agreed to pay the corrected amount of \$1,228.45.

Mr. Legerski made a motion to pay Mathey Law Office PC for the corrected amount. Ms. Huckfeldt seconded the motion. The motion was voted on and passed.

15.	Next	Meeting
- 0.	1.0110	

The next meeting will be conducted August 20, 2020 at 3:00 p.m. remotely.

16. **Adjournment**

There being no further business, Chairman Eddins adjourned the meeting at 4:20 p.m.

Approved Approved .man **Board Member**

DATED this 11th day of June 2020.

John Eddins, Chairman

ATTEST:

Note to the Board

Date: August 17, 2020

Subject: Reauthorization of Resolution 20-04

From: Bryan Seppie - General Manager

While preparing the June 2020 Profit & Loss (P&L) report, Mr. Varley and I discovered clerical errors in the original Budget Amendment Resolution (20-04) that was approved in June.

You may recall that the budget amendments were necessitated by the monies received after the legal settlement with the reservoir's engineers were finalized and then the subsequent loan payment on the project's DWSRF loan. Additional amendment items were included as "housekeeping" matters but were not essential by themselves (DEQ monitoring stations and Crossroads Project).

These budget amendments required new line items in the P&L since they were not originally planned in the budget. The "Amendment" amount for each item is correct and will not change with this reauthorization. However, the "Original Budget" column inadvertently had incorrect values and the value in this column should have been zero (since they were new line items).

The Outfall #2 Monitoring station (a Mid-lived asset) was correctly charged to account 09-20-6, the "Amendment" amount is correct, so the "As Amended" column is the sum of the two.

The reservoir's legal settlements and DWSRF loan repayment are certainly positive steps but representing the flow of those funds to the balance sheet has been interesting. Mr. Varley and I are discussing ways to re-organize the P&L in the future so the flow of reserve funds is simplified.
