- 5. CD Interest Rate Bid Tabulation
- 6. Consent to Temporary Appropriation of Water

### **Meeting Minutes**

Meeting Date: April 6, 2023

**Type of Meeting:** Regular Board Meeting

### 1. Call to Order

The Joint Powers Water Board meeting was held by remote computer access, teleconference, and in the conference room at the Water Treatment Plant. Chairman Leigh called the meeting to order at 3:00 p.m.

### 2. Roll Call

A quorum was present with Hilary Huckfeldt (SW Co), Terry Leigh and Jason Palmer (GR), Robert Young and Gene Legerski (RS) present. Ms. Sage Hilstad, Council for the Board, was in attendance. Staff attending were Bryan Seppie, General Manager, Michael Tardoni, Engineer, and Sara Richardson, Office Manager. Mark Westenskow, City of Green River, and Paul Kauchich, City of Rock Springs, were also in attendance.

### 3. **Approval of Agenda**

Ms. Huckfeldt made a motion to approve the agenda. Mr. Young seconded the motion. The motion was voted on and passed.

### 4. Approval of March 23, 2023 Board Meeting Minutes

Ms. Huckfeldt made a motion to approve the March 23, 2023 Board Meeting minutes. Mr. Legerski seconded the motion. The motion was voted on and passed.

### 5. **Approval of February 2023 Financial Reports**

*Mr.* Legerski made a motion to approve the February 2023 financial reports as presented. Mr. Young seconded the motion. The motion was voted on and passed.

## 6. Presentation and Consideration of Resolution 23-06 Price Schedule for Wholesale Water Rates FY-24

Mr. Seppie stated that the Board must set the rates for the wholesale customers by April 15<sup>th</sup>. Resolution 23-06 will establish the price schedule for wholesale water rates for FY2024. Green River and Jamestown Rio Vista will pay one rate, while Rock Springs, Simplot, Ten Mile, White Mountain and Clearview will pay another rate. Mr. Seppie recommended a \$.04 increase to the existing rates.

The members discussed their opinions of the proposed increase.

Mr. Legerski made a motion to approve Resolution 23-06 with a \$.04 increase, City of Green River and Jamestown Rio Vista Water and Sewer District will pay \$1.3305 per hundred cubic feet. City of Rock Springs, Clearview Improvement and Service District, Simplot Phosphates, Ten Mile Water and Sewer District and White Mountain Water and Sewer District will pay \$1.5117 per hundred cubic feet. Mr. Palmer seconded the motion. The motion was voted on and passed.

### 7. Official Depository of Public Funds

Mr. Seppie gave the background of the Official Depository of Public Funds. The Board currently has accounts at three (3) financial institutions; Commerce Bank, RSNB Bank and Uinta Bank. These institutions have provided properly executed applications for Deposit of Public Funds. Mr. Seppie recommended that the Board accept these as Official Depositories.

Mr. Young made a motion to approve Commerce Bank, RSNB Bank and Uinta Bank as the Official Depositories of Public Funds. Mr. Legerski seconded the motion. The motion was voted on and passed.

Mr. Seppie presented the Board's current portfolio, which showed the amounts in each institution, current interest rates and percentage of the Board's holdings. Mr. Seppie discussed the short- and long-term needs that the Board has and the upcoming liquidity needs. He gave the background of the Rock Springs and Green River Capital Improvement accounts that are held by the Board and another account of the Board's that must be segregated contractually.

Mr. Seppie was recently contacted by another governmental investment pool, Wyoming CLASS, that is compliant with Statutes. It may be another option if the Board chooses to reinvest some of their money.

There was discussion regarding account balances, interest rates and contacting the Cities regarding their accounts.

### 8. **Conflict of Interest Statement**

Chairman Leigh stated that to the best of his knowledge, he either transacts personal business with, have a financial interest in, or have received a pecuniary benefit from the following entities or financial institutions that provided any services to the Board related to the investment of public funds. He does not have interest in Commerce

Bank, RSNB Bank or Uinta Bank and he does not serve as an officer or director for any of the institutions.

Ms. Huckfeldt disclosed that to the best of her knowledge she had no interest in Commerce Bank, RSNB Bank or Uinta Bank and she further disclosed that she was not an officer or director at any of those institutions.

Mr. Seppie disclosed that to the best of his knowledge he did transact personal business with Commerce Bank and RSNB Bank and he was not a director or officer at any of the banks.

Mr. Legerski disclosed that to the best of his knowledge he transacts personal business with Commerce Bank and RSNB Bank and further discloses he is not a director or officer of any of the banks.

Mr. Young disclosed that to the best of his knowledge he does transact personal business with Commerce Bank, yes, RSNB Bank, yes, Uinta Bank, no. He also disclosed that he was not an officer or director of any of those banks.

Mr. Palmer disclosed that to the best of his knowledge he does not transact personal business or have financial interest in Commerce Bank, RSNB Bank or Uinta Bank, he also disclosed that he is not a director or officer at any of the banks.

### 9. Presentation and Consideration of Amendment One to Project Agreement-GR/RS/SC JPWB Pump Station Project

Mr. Seppie presented the amendment to the WWDC Project Agreement for the Crossroads Pump Station. Last fall a request was made for additional grant funding and a time extension. The current contract has a date of July 1, 2024 as the reversion date for the funding. The Select Water Committee and Legislature only approved the extension of time. They had an abundance of requests and have asked sponsors to look elsewhere for additional grant funding. Once the project is bid and final numbers are known we may request additional funding. This amendment will extend the reversion date to July 2026 and has been executed by the WWDC. There was discussion regarding the reversion date and Mr. Seppie stated that it was a typical 2-year extension and once we were in the bidding and procurement stage we

Ms. Huckfeldt made a motion to approve the amendment. Mr. Legerski seconded the motion. The motion was voted on and passed.

## 10. Presentation and Consideration of Amendment to Employee Reference Guide On Call and Emergency Call Back Policy

could apply for another extension if it becomes necessary.

Mr. Seppie stated that the proposed draft is an addition to the Employee Reference Guide. The current guide is silent on the on-call and emergency call back provisions. To date, on-call needs have been handled by salaried employees, however, with the retirement of the Maintenance Manager and his position being backfilled by a current employee this is now an issue. Mr. Seppie had reached out to the Cities of Green River and Rock Springs and Sweetwater County to review their policies. He explained the difference in our needs to those of the other entities.

On call would only be used in a limited capacity and would be paid at a designated amount. An emergency call back would be a minimum of 2 hours' pay, and hours worked would be calculated for overtime, which is consistent with the other portions of the policy.

Mr. Seppie recommended that the Board adopt the Amendment to the Employee Reference Guide.

There was discussion regarding the position that will be on-call and called back and what may require a call out. The on-call was not included in the current budget but the call back is included in our overtime, and staff cannot anticipate how much will be required.

Chairman Leigh asked for a motion to approve the Amendment for On-Call and Emergency Call Back Policy, dated April 6, 2023.

Mr. Young so moved. Mr. Palmer seconded the motion. The motion was voted on and passed.

### 11. Operational and/or Project Updates

Mr. Seppie began with project updates. Regarding the Crossroads Pumpstation, SLIB will distribute the additional funds being allocated through the ARPA grant on April 7, 2023. Mr. Seppie, Mr. Kauchich and Mr. Weskenskow will all be online to watch and participate in the meeting. These monies would be for the portion above and beyond the current WWDC grant. The requested amount is based on an updated construction estimate and would basically address the unfunded portion that otherwise Rock Springs would have to pursue a loan for.

Operational update: With the recent snowstorms and warm temperatures projected for next week, we are anticipating runoff and high turbidity.

Mr. Seppie presented a chart regarding inflows from the Upper Green River Basin and Colorado River Basin's inflows into Lake Powell.

Listening in to the Flaming Gorge Working Group, the BOR talked about being able to recover the amount of the past two years' worth of DROA releases. They anticipate recovery of Flaming Gorge's operational elevations by next spring.

There will be a Flaming Gorge Working Group meeting on TEAMS April 20<sup>th</sup>, it will be pulled up at the plant if anyone is interested.

The Colorado River Working Group will be having a meeting in the area, the exact time and location have not been published.

There will be a Fontenelle Working Group meeting that will be held at the Water Treatment Facility April 27, at 10:00 a.m.

### 12. Public Comments

None

### 13. Good of the Order

None

### 14. Executive Session

None

15.	Next Meeting The next Regular Board Meeting will be held May 25, 2023 at 3:00 p.m.						
16.	6. <b>Adjournment</b> There being no further business at 4:21 p.m. Mr. Legerski made a motion to adjourn. M Huckfeldt seconded the motion. The motion was voted on and passed.

City of Green River, Wyoming - City of Rock Springs, Wyoming - Sweetwater County, State of Wyoming Joint Powers Water Board Board of Trustees
Green River, Wyoming

We are pleased to confirm our understanding of the services we are to provide City of Green River, Wyoming - City of Rock Springs, Wyoming - Sweetwater County, State of Wyoming Joint Powers Water Board (Joint Powers Water Board) for the year ended June 30, 2023.

### **Audit Scope and Objectives**

We will audit the financial statements of the business-type activities, including the related notes to the financial statements, which collectively comprise the basic financial statements of Joint Powers Water Board as of and for the year ended June 30, 2023. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Joint Powers Water Board's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Joint Powers Water Board's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis
- 2) GASB required supplementary pension information

### **Audit Objectives**

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

City of Green River, Wyoming - City of Rock Springs, Wyoming - Sweetwater County, State of Wyoming Joint Powers Water Board Page 2
May 16, 2023

### Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of the financial statements does not relieve you of your responsibilities.

### **Audit Procedures—Internal Control**

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

City of Green River, Wyoming - City of Rock Springs, Wyoming - Sweetwater County, State of Wyoming Joint Powers Water Board Page 3
May 16, 2023

We have identified the following significant risks of material misstatement as part of our audit planning:

- Proper implementation of new accounting standards (GASB 96 new for 2023)
- Revenue recognition
- Segregation of duties
- Environmental and other liability recognition related to the old plant

### **Audit Procedures—Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Joint Powers Water Board's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

#### **Other Services**

We will also assist in preparing the financial statements and related notes of the Joint Powers Water Board in conformity with U.S. generally accepted accounting principles, including the GASB 68 pension liability calculation and supporting schedules, perform and book the required GASB 96 entries, keep a separate fixed asset schedule for the board that runs parallel to the Boards, make recommendations related to your internal processes, and propose journal entries to the Organizations records, based on information provided by you. This may include proposing journal entries to bring the accounting records into the proper basis of accounting, as well as to correct potential misstatements that may exist, and make recommendations as noted throughout the entire audit process. All proposed entries will need to be approved prior to the issuing of the financial statements. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Collectively we have reviewed the services individually and collectively and will continue to remain independent of the water board.

### Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America with the oversight of those charged with governance.

Management is responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

City of Green River, Wyoming - City of Rock Springs, Wyoming - Sweetwater County, State of Wyoming Joint Powers Water Board Page 4
May 16, 2023

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America (GAAP). You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to [include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon]. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

### Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing. Additionally, they will be requested to pull samples and put together a detailed audit preparation guide. We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate. Additionally, if we encounter circumstances that are outside the normal scope of the planned audit procedures related to legal proceedings, grants, and or projects that are not accounted for properly, the fee below may be adjusted.

We will provide copies of our reports to the Joint Powers Water Board; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Summit West CPA Group, P.C. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the Wyoming Department of Audit or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Summit West CPA Group, P.C. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Wyoming Department of Audit. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the parties contesting the audit finding for guidance prior to destroying the audit documentation.

City of Green River, Wyoming - City of Rock Springs, Wyoming -Sweetwater County, State of Wyoming Joint Powers Water Board Page 5 May 16, 2023

We expect to begin our audit on a mutually agreeable date. Tim Fixter, CPA, CFE, is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.). We estimate that our gross fee, including expenses, will approximate \$26,000 - \$31,500. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. This range is due to the complexities that the new GASB 96 is causing within the audit which is proving to be significant and time consuming across our spectrum of clients. In the event the Board is not impacted by the new pronouncement we will likely be at the lower end of the range similar to last year. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you regarding the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

You have requested that we provide you with a copy of our most recent external peer review report and any subsequent reports received during the contract period. Accordingly, our 2022 peer review report accompanies this letter.

We appreciate the opportunity to be of service to Joint Powers Water Board and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

## SUMMIT WEST CPA GROUP, P.C.

Summit West CPA Group, P.C. . Lander, Wyoming

### RESPONSE:

This letter correctly sets forth the understanding of Joint Powers Water Board.

### Report on the Firm's System of Quality Control

November 30, 2022

To the Partners of Summit West CPA Group, P.C. and the Peer Review Committee of the Nevada Society of CPAs (NVCPA)

We have reviewed the system of quality control for the accounting and auditing practice of Summit West CPA Group, P.C. (the Firm) in effect for the year ended May 31, 2022. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a system review as described in the Standards may be found at <a href="https://www.aicpa.org/prsummary">www.aicpa.org/prsummary</a>. The summary also includes an explanation of how engagements identified as not performed or reported on in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

### Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported on in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

### Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

### Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

### Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Summit West CPA Group, P.C. in effect for the year ended May 31, 2022, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of pass, pass with deficiency(ies) or fail. Summit West CPA Group, P.C. has received a peer review rating of pass.

Brady, Martz and Associates, P.C.

### CONSENT TO TEMPORARY APPROPRIATION OF WATER

THIS AGREEMENT is made this \_\_\_\_\_\_ day of \_\_\_\_\_\_\_, 2023 by and between the City of Green River, Wyoming – City of Rock Springs, Wyoming – Sweetwater County, Wyoming Joint Powers Water Board, located at 3 Telephone Canyon Road, Green River, Wyoming 82935 (the "JPWB"); and Trout Unlimited, a Wyoming non-profit corporation, with its Green River office located at 520 Wilkes Dr., Suite 3A, Green River, Wyoming 82935 ("TU").

**WHEREAS** the JPWB previously acquired a water supply, treatment, and distribution System, and has leased the City Distribution System for Green River to the City of Green River (the "City") pursuant to a City Distribution System Lease; and

**WHEREAS** the City and the JPWB have entered into an Amended and Restated Water Purchase Agreement, dated June 25, 1996 (the "Agreement"), which Agreement outlines the obligations of the City and the JPWB as it pertains to the City Distribution System and the purchase of water by the City from the JPWB; and

**WHEREAS** pursuant to said Agreement, the City is not to establish, develop, or otherwise acquire or operate or allow any other party to establish, develop or otherwise acquire or operate a system to provide water to the water users served by the City Distribution System which is separate from or in addition to the City Distribution System, without the prior written consent of the Board; and

**WHEREAS** the JPWB has received a request from TU for the temporary appropriation of surface water from within the bounds of the City Distribution System; and

**WHEREAS** TU represents that the purpose of the temporary appropriation, given its location and purpose, cannot be practicably served at reasonable expense by the existing infrastructure; and

**WHEREAS** the Parties agree that the request for temporary appropriation is beneficial to the City of Green River; and

**WHEREAS** TU, by and through the Parks and Recreation Department of the City of Green River, anticipates submitting an Application for Permit to Appropriate Surface Water to the Wyoming State Engineer's Office; and

**WHEREAS** the JPWB agrees to grant TU permission to obtain a temporary water permit from the State of Wyoming to temporarily appropriate surface water, which appropriation and use shall be governed by this agreement.

**NOW THEREFORE** in consideration of the matters described above and the mutual benefits and obligations set forth in this Agreement, the receipt and sufficiency of which consideration is hereby acknowledged, the JPWB and TU (individually the "Party" and collectively the "Parties" to this Agreement) agree as follows:

- 1. The water available to TU for temporary appropriation is expected to be an approximate flow rate of 180 gallons per minute. Said appropriation shall be for the temporary pumping of water from the body of water known as the Green River, at an area near the Scotts Bottom Bridge, to irrigate TU's recently completed riverbank restoration project. The project area is approximately 2,000 feet long and between 30 and 80 feet wide along the river downstream of said bridge. TU will utilize a high-pressure water pump that will pull water from the river to sprinklers that will irrigate the restoration area. The temporary irrigation system will be mobile and will be moved up and down the site to irrigate the restoration area.. The water pump to be used contains a 9-horsepower gas engine and 3-inch hose; it pumps approximately 180 gallons per minute.
- 2. TU shall submit a draft of the application to the Wyoming State Engineer's Office to the JPWB for approval and concurrence. Thereafter, TU shall supply the JPWB a copy of the temporary water right permit once approved by the Wyoming State Engineer's office.
- 3. The term of this Agreement and the temporary appropriation shall commence upon TU's receipt of approval of the permit from the Wyoming State Engineer's Office, and terminate on October 1 2024.
- 4. Indemnification: TU shall indemnify, hold harmless, and, at the JPWB's option, defend the JPWB, its affiliates, board members, employees, representatives, agents, successors, and assigns (the "Indemnitees") against any and all claims, losses, damages, liabilities, and expenses (including costs of defense, arbitration, settlement, reasonable attorneys' fees, and litigation) for death of or bodily injury to any person and destruction of or damage to any property; violation of governmental laws, regulations, or orders; or any other damages claimed by TU or any third parties if and to the extent they result from, arise out of, or are in connection with (a) any negligent or willful act or omission of TU, its employees, agents, representatives and its subcontractors; or (b) TU's breach of any representation, warranty, term, or provision of this Agreement. TU shall not be responsible for any claim, loss, damage, liability, or expense to the extent caused solely by the negligence or willful misconduct of the JPWB, its employees, representatives, or agents. The obligations of indemnification imposed by this section shall survive the termination of this Agreement.
- 5. <u>Assignments:</u> TU shall not assign or transfer this Agreement or any part thereof.

- 6. <u>Compliance with Laws:</u> TU shall acquaint itself with all applicable rules, regulations, and laws in connection with the site and the temporary appropriation, and shall strictly comply and cause all subcontractors, agents, and employees to strictly comply, with such rules, regulations, and laws.
- 7. <u>Notice:</u> All notices, requests, demands or other communications required or permitted by the terms of this Agreement will be given in writing and delivered to the Parties of this Agreement to the address provided above, or by hand delivery, or to such other address as any Party may from time to time notify the other.
- 8. <u>Survival of Provisions:</u> All covenants, agreements, indemnities, guarantees, and warranties made by TU shall survive the termination of this agreement, in full or in part.
- 9. <u>Remedies Not Exclusive:</u> Each and every of the rights, remedies, and benefits provided to the JPWB shall be cumulative, and shall not be exclusive of any other of said rights, remedies, and benefits, or of any other rights, remedies, and benefits allowed by law or equity or otherwise.
- 10. <u>Legal Expenses:</u> In the event that legal action is brought to enforce or interpret any term of this Agreement, the prevailing party will be entitled to recover, in addition to any other damages or awards, all reasonable legal costs and fees associated with the action.
- 11. <u>Modification of Agreement:</u> Any amendment or modification of this Agreement or additional obligation assumed by either Party in connection with this Agreement will only be binding if evidenced in writing signed by each Party or an authorized representative of each Party.
- 12. Governing Law: This Agreement will be governed by, and construed and enforced in accordance with, the laws of the State of Wyoming, without regard to conflict of laws principles. The parties hereby agree that the courts located in Sweetwater County, Wyoming shall be the exclusive forum for all disputes in connection with this agreement or its subject matter, and the parties irrevocably submit to the personal jurisdiction of that forum.
- 13. <u>Severability:</u> In the event that any of the provisions of this Agreement are held to be invalid or unenforceable in whole or in part, all other provisions will nevertheless continue to be valid and enforceable with the invalid or unenforceable parts severed from the remainder of this Agreement.
- 14. <u>Sovereign Immunity:</u> Nothing in this Agreement shall be deemed or treated as any waiver of the JPWB's sovereign immunity.

- 15. <u>Waiver:</u> The waiver by either Party of a breach, default, delay or omission of any of the provisions of this Agreement by the other Party will not be construed as a waiver of any subsequent breach of the same or other provisions.
- 16. <u>Entire Agreement:</u> It is agreed that there is no representation, warranty, collateral agreement or condition affecting this Agreement except as expressly provided in this Agreement.

IN WITNESS WHEREOF the Parties have duly affixed their signatures on this day of, 2023.
