OUR MISSION

TAPESTRY FESTIVAL 2022 celebrates our city's rich multiculturalism and diversity with an inclusive and welcoming event featuring music, dance, food and the arts.

OUR VISION

TAPESTRY FESTIVAL 2022 highlights the cultural diversity of our City to create a positive, inclusive Community where members feel recognized, accepted, with a strong sense of self.

A city-wide family friendly Festival celebrating Kamloops Multicultural Heritage. This year's event will introduce some of the best of Kamloops cuisine from around the world, exhibits, games, interactive display, a Kids Zone and live entertainment.

We couldn't do this without the generous support of our Sponsors. Together we can create an amazing Event open to all of our Community & Visitors alike! We look forward to discussing with you further...

Our Festival offers an excellent opportunity for a wide range of Sponsorship levels! We anticipate the advertisement for the event to reach out to over 50,000 people & expect to have 4,000+ visitors attending out Tapestry 2022!

We have had such a fabulous reaction from everyone to have this Multicultural Festival finally happening! We are really excited to celebrate with our Community!
