New Project Reviews:

A. Not here

B. Town Lake CPD Administrative Amendment for 625 Williams Ave. Amend the recently approved Town CPD zoning to allow for a modified site plan that reduces height and changes the internal configuration of the parcel dedicated to mini-warehouse use.

Fred Drovdic is presenting. There have been some changes since the last we met. The warehouse uses have changed. The church did not want as much property as they first did. So, it was offered to us, and we took it. With this we are going to take the two story down to one story.

**C. Request to change from RS-1 to Commercial PD. This is for 712 Adams Ave, Lehigh Acres, Fl.
AJ Sitti is presenting. This project is on Adam Ave and Homestead Road. This has residential zoning and we would like change it to commercial. We are hoping to add another call center to this property. It is on a ½ acre lot. Ant this is one of the uses already approved. The drainage is straight forward and there will be improvements to the roads. These will all come through the DO stage.**
