

MC DEBBIE D HIP HOP MATRIARCH FLYEROLOGIST

MC Debbie D, hip hop's first female MC soloist, is fast becoming a sought after speaker on the origin of hip hop.

With a keen eye on details, she has a unique ability to bring you back in time to the parks, jams and first parties held in The Bronx, NY through hip hop's only written authentic archives -- FLYERS! Step into the world of the Flyerologist and learn intricate details on the evolution of hip hop words, the beginning and transition of DJ/MC crews, managers, graphic artists, promoters, clubs and more!

What They Say ...

"Debbie D's knowledge is specific and you can be confident in her information." - Disco Daddy, CA

"Debbie D provided me with invaluable insight into the earliest days of hip hop before radio and magazines." - Kathy Iandoli, Author
