ADMINISTRATOR'S REPORT:

- **Engineer's report** – Mr. Somogyi explained that Meyer's RV would like to expand east along the I-90 Corridor, but there are a few issues that need to be worked out regarding Planning and Zoning. He also expressed that they are working with Major Waste Disposal and current site-plan checks regarding stormwater run-off issues with Major's parking lot expansion. Mr. Lee asked Mr. Chapman for a follow-up regarding the lids to the garbage toters. Mr. Chapman stated he had spoke with Major, and there is a possibility of an alternate lid for the toter, and that they would look into it further for us.
- **Fiscal Officer's report** – Absent due to illness.
- **Police Chief's report** – Chief McIntosh announced that the newest addition to the fleet – last year's Dodge Durango - has finally been outfitted with all of its equipment and is now out on the road (since late-December). He also explained that one of the other police cruisers was involved in a motor vehicle accident when it was struck by an oncoming car that lost control in inclement weather on Middle Ridge Road. Our officer and the other driver only suffered minor injuries, however, the damage to the 2019 police cruiser was significant, and he is waiting for a repair estimate from the insurance adjuster at this time. Chief McIntosh also announced that our most recent hire, Patrolman Korabek, is almost complete with his field-training and should be done by the second week of February. Mayor Britton clarified that the accident was not our officer's fault, and was caused by the other vehicle that lost control.
- **Administrator's report** - Mr. Chapman stated that he and Ms. Crockett are working on the General Liability Insurance renewal through PEP. That renewal will be coming before council soon, with a renewal date of 4/1/2026. Mr. Chapman also expressed gratitude and appreciation for the Madison Village Road Department for their excellent job during the recent snow events. They are all doing a great job. Mr. Chapman wanted to provide an update regarding the Major Waste Disposal location: they have an inspection tomorrow with the Madison Fire District, and hopefully they will be able to get moved and officially relocated by next Monday, January 19th. Mr. Vest asked Mr. Chapman for a follow-up regarding the street light program. Mr. Chapman stated that he has a meeting scheduled with Wendy Zeely from FirstEnergy on January 20th.

COMMISSION AND COMMITTEE REPORTS:

Fire Board: Mr. Adams provided an update that the Madison Fire Board held their annual re-org meeting on January 7th, and he will be serving as the Chairman, while Mr. Sill from the Township will be serving as Vice-Chair.

FINAL HEARING OF PERSONS BEFORE COUNCIL: Mr. Walt Richardson from 700 E. Main St. asked for clarification on Meyer's RV re-zoning. Mr. Chapman explained that Meyer's is asking for a zoning reclassification from R2 (residential) to B4 (freeway business). Mr. Richardson asked if there were intentions of tying it to Bates Road. Mr. Chapman and Mr. Britton confirmed that there are no intentions of tying that property over to Bates, Huntington, or Hyder. Mr. Chapman explained that there were previous public hearings scheduled through P&Z for Meyer RV to come in and officially request this change, but they are currently getting paperwork in order, and no public hearing has been rescheduled at this time. Mr. Richardson expressed concern over the fact that Lake County Auditor's website has different land-use codes than what the Village has for certain properties. Mr. Chapman stated that unfortunately, there are instances where those classifications do not match and can sometimes be different. Mr. Richardson stated that you shouldn't be building accessory buildings/barns prior to building a house, yet there is a property right next to this particular parcel that has done so. Mr. Vest stated that Mr. Chapman would have to take a look into it.

NEW BUSINESS

Mayor's Report: - Mayor Britton stated that 2025 was a good year, and that he hopes 2026 will be also. There are some ideas coming up, and council will be hearing about them soon.

ADJOURNMENT
