ADMINISTRATOR'S REPORT:

➤ **Engineer's report –**

Mr. Haibach reported that OPWC released their "call for projects" which will be for the next round of OPWC funding. He stated that he, Mr. Bailey and Service Director Jason Chapman are working together getting a list of worthy projects, likely more road repairs, for the application for the next round of OPWC funding. He reported that the Village did receive OPWC funding for the upcoming Parkway Paving Project. The engineer's estimate was \$250,000.00. Cole Burton was the successful bidder at just shy of \$210,000.00 leaving breathing room to do some expanded repairs in that area. He stated that with this being OPWC funds, we cannot execute this project until after July 1, 2024 when the OPWC funds become available.

He reported that the work on Dana's Park will be starting on Tuesday April 23, 2024. He will be on site to meet with Geauga Highway to get them set up. In

closing, they will also be back to finish their work that they started on the Wetlands Trail Project.

Administrator Bailey added that some of the primary candidates that the Village is looking into for next year's road program are Appaloosa Trail and Dawn Road.

➤ **Fiscal Officer's report –**

Mrs. Crockett reported that it is quarter end, she is working on getting the quarterly reports ready for submission. She has printed and handed out the departmental quarterly expenditure reports. She stated that each department looks good, they are all within their less than 25% expenditure rate. She stated that the Village overall is at 20.2% expenditures of what has been appropriated. In closing, she briefly touched on the modifications to the Local Government Fund.

➤ **Police Chief's report –**

Chief McIntosh reported that the dates for the Madison Safety Town will be held June 10 – June 21, 2024 at South Elementary.

In closing, he reported that he will be in Columbus, Ohio from April 28 – April 30, 2024 for the Ohio Chief's Conference.

➤ **Administrator's report –**

Administrator Bailey reported that he has been working on the Concerts in the Park. This year July 4, 2024 falls on a Thursday. After consulting with the vendors, the concert time has changed. The time for the concert will be from 12:00 – 2:30 pm. Thunder Creek will be performing and the American Legion Post 112 will be the featured sponsor. They will be presenting a Color Guard and it will also be Veteran's Appreciation Day. The Outdoor Market will be held from 11:00 am – 3:00 pm that day as well.

In regards to construction projects, once Geauga Highway is completed in Dana's Park, the playground equipment contractor will come in and install the playground equipment as well as the install the play surface.

In regards to the Wetlands Project, the contractor is estimating another three (3) weeks to complete the project. The parking area will still need installed. ODNR is very excited about this project, and would possibly like to do a ribbon cutting ceremony.

He reported that the main part of the handicap ramp is completed in front of Village Hall. In the next coming days, the Village Service Department will be welding the handrails to it.

The bid opening for Middle Ridge Road will be on May 29, 2024, with a start date of July 2024. This will push the sidewalk work back a bit.

He touched briefly on the Parkway Paving Project, he stated that we bid the project early so that when the funds are awarded in July, the contractor is in place and ready to start. This will help alleviate a project starting in the summer and needing to wait until the following spring for completion.

The Signalization Project at I-90 is slated to start the week after July 4, 2024. He stated that in regards to the Local Government Fund, the current formula that the Lake County Auditor is currently using, for calculating the distribution, is not proper and is under review. They have until July 2024 to adopt an alternate calculation or it will revert to the State's formula.

All municipalities in the County have to agree on the formula and vote. He stated that there has been a subcommittee of municipal leaders working on an alternate formula that is agreeable for everyone. It will be presented to Madison Village as sample legislation from the Lake County Auditor's office to present to Council.

In closing, a brief discussion took place regarding perhaps implementing a sidewalk program.

Councilman Adams stated that he has received compliments on the Hometown Hero Banners.
