But you will receive power when the  
Holy Spirit comes on you;  
and you will be my witnesses  
in Jerusalem, and in all Judea  
and Samaria, and to the  
ends of the earth.

BEFORE.

**AFTER!**

Construction ministry is a great opportunity for those that enjoy repairing and building things to get involved in mission work on a short-term mission trip. We have been involved in building two churches, one in Cambodia and one in Belize. A third church is being planned now.

Other projects that have immediate needs include house construction/repair, work on current church projects, and helping some of our ministry partners with repairs and construction. We would love for you and your team to join us to help build for the future on the foreign mission field.

**GO. LOVE. SERVE.**

#### ***4-Fold Ministries Mission Statement...***

4-Fold Ministries is a local, national, and international non-profit mission organization based out of Lufkin, Texas. Whether you are called to take the gospel "across the street or across the sea," we want to partner with you to organize your next mission endeavor. When you partner with us, we will give you a turnkey mission experience from training, accommodations, projects, and planning. You can have the short-term team mission experience, while spending more time with your team, as we take care of everything for you.
