BECOME A PARTNER

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.

4-Fold Ministries was birth from a one-time mission trip to Belize, Central America, 26 years ago. The founder, W. Dee Daniel, took his first mission trip there and that has now led to 50+ mission trips over those years. Through these trips, we have helped to plant two churches, one in Cambodia and another in Belize. We have seen hundreds of salvations and many other decisions. We are now seeing third-generation believers through this ministry. The want to partner with churches and organizations to lead teams on short-term mission trips to work in Belize in a turn-key mission team experience. Come and join us!
