But you will receive power when the  
Holy Spirit comes on you;  
and you will be my witnesses  
in Jerusalem, and in all Judea  
and Samaria, and to the  
ends of the earth.

4-Fold Ministry was founded on village ministry as our primary ministry focus. Village ministry allows each mission team to have personal interaction with the villagers through door-to-door evangelism. Every group will be trained and given the opportunity to share the Gospel. Your team will also give out rice, beans, and other hygiene supplies to each home. Also, each team will host a community event such as Vacation Bible School, backyard bible study, church revival, or youth events. We also need your help supplying school supplies to school-age kids to villages, schools, and ministry partners. Will you be the next church or organization that would you like to team up with us for a short-term mission trip?

### *4-Fold Ministries Mission Statement...*

*4-Fold Ministries is a local, national, and international non-profit mission organization based out of Lufkin, Texas. Whether you are called to take the gospel "across the street or across the sea," we want to partner with you to organize your next mission endeavor. When you partner with us, we will give you a turnkey mission experience from training, accommodations, projects, and planning. You can have the short-term team mission experience, while spending more time with your team, as we take care of everything for you.*
