

## Information for exhibition managers

The layout is two metres long plus a further metre operating space at one end. It is one metre deep and requires a 500mm space for the whole of the rear of the layout. It therefore requires a space of 3 metres by 1.5 metres.

Insurance value £4,000 (layout and stock).

Ideally there will be two operators and the layout is transported in one car.

Accommodation requirements ONE double plus meals, mileage at 20p per mile
