2026 Tri-State ZNA Young Koi Show
Exhibitor Registration Info

The show will take place at the Lupco, Enterprises located at 328 Country Rd 111, Manorville, NY 11949.

This is a **hobbyist-only**, English style koi show. Each hobbyist must own the fish being entered in the show and will have his/her own tank(s). **Entrants are encouraged to reserve their tanks early as there are a limited number of tanks.** Tri-State will maintain water quality for the show, but will insist that the tanks not be overcrowded. It is recommended Tri-State ZNA uses a Fish Point System as a guideline for loading tanks. This is done to maintain water quality throughout the weekend to ensure the safety and health of your koi. Tri-State ZNA reserves the right to require additional tanks be used if fish load exceeds these recommendations.

Registrations must be received no later than May 22, 2026. Pre-registration with payment is recommended in order to guarantee tank availability.

All koi (including Longfin) will be measured from tip of the nose to the end of the tail (caudal fin) for determining the fish points below. The following table must be used to calculate the number of tanks needed.

Koi Catorgies
Baby: Up to 12 inches
Young: 12 to 16 inches
Adult: 16 to 20 inches
GC: 20 to 24 inches
