Parrish Playworks, Inc of Parrish Florida was awarded a grant of \$4,500 by the Community Foundation of Sarasota County to support the purchase of technical equipment. About Parrish Playworks: Parrish Playworks, Inc. is a registered non-profit that uses the art of theater to celebrate our local culture and history. We create opportunities for self-expression, build bridges across any social or economic divide, spark the local economy, and gather the people of this region of Florida together as theater participants and audience. We believe the north river section of Manatee County deserves its own theater space for the whole community to enjoy, and our long-term goal is to make that performing space a reality for all residents to enjoy. Until that goal is realized, we will remain a traveling troupe making live theater more accessible to all around this region!

About the Community Foundation of Sarasota County: The Community Foundation of Sarasota County is a public charity founded in 1979 by the Southwest Florida Estate Planning Council as a resource for caring individuals and the causes they support, enabling them to make a charitable impact on the community. Since its founding, the Community Foundation has been able to grant more than \$350 million to area nonprofit organizations to our community thanks to the generosity of charitable individuals, families, and businesses.
