

2021 HARVEST FESTIVAL PARTNERSHIP OPPORTUNITY FRIDAY, OCTOBER 22, 2021

We are so excited to invite our local businesses and individuals to join us for our upcoming 2021 Harvest Festival, planned for Friday, October 22, 2021 from 6pm - 8pm at Myakka City Elementary School, located at 37205 Manatee Avenue in Myakka City, Florida! This event will help bring the community together while giving us an opportunity to raise funds for our awesome Myakka City Elementary School!

We have the best community full of amazing individuals and businesses, and we are incredibly fortunate to have your support! We would love to invite you to participate in our upcoming Harvest Festival as a sponsor, business partner and/or donor - however you're able to be involved, we have an opportunity for you!

Our partners and supporters will be included in our social media posts, on our new MyakkaCityPTO.com website, and on our incredible new electronic marquee signs - conveniently located at both of our school entrances!

In addition to supporting our upcoming Harvest Festival, you'll be sharing your excitement with our students and our teachers and staff, showing our community that you are excited about the amazing things happening at Myakka City Elementary School (including our new Agriculture Program - we're the only elementary school in the state of Florida with a program like this, and we can't wait to unveil our new Ag Barn during the festival!).

Interested in getting involved? We would love to chat! We have several opportunities for partnerships - donations to help cover event costs, gift cards, merchandise and/or items for our silent auction, services for our event, and more! The choice is yours, and we can't wait to highlight your business or organization as one that supports our community! To view levels and sign up as a sponsor, donor or partner, visit <https://bit.ly/2WJk8hp> and in the "donation to be used for" section, you can specify "Harvest Festival!"

In addition to this event, your donations and support helps us fund upgrades to our school, our classrooms, library, computer lab, art room, science lab, P.E., field trips, supplies and items we need to ensure our teachers and students are supported in their pursuit of academics, agriculture and leadership - which just so happens to be our school's motto!

Please fill out our donor form (by visiting <https://bit.ly/2WJk8hp>) at your earliest convenience by October 11, 2021 (for Harvest Festival donations) so we can begin thanking you and highlighting your business and mission! Thank you for your time and consideration, we welcome any and all questions as we prepare for this awesome event. We can't wait to hear from you soon!
