How do I apply to Mission Farrier School:

Applying to MFS is easy -

Step 1 Download and print the following:

1. Ability to Benefit
2. Registration Application
3. Tool List

Step 2: Mail in the "Ability to Benefit" and "Registration Application" with a deposit of \$2000. We process your enrollment.

Step 3 Call Teddy Franke at 907-687-6047 for a quick phone interview.

Once you have a letter/email of acceptance you can begin to assemble the tools you will need for class that are detailed on the tool list.

No previous experience is necessary, as a matter of fact some of our very best graduates have been those who come to class with the least knowledge and experience. It is easier to teach you if you don't have to "un-learn" something first. We are simply looking for people, men and women who want to make a difference in the lives of horses and their owners! It is hard work, it is self employment, and it is physically demanding, but if you have a true desire to learn, we look forward to teaching you! The telephone interview gives us an opportunity to personally answer your questions and to also make sure that we are a good fit for each other, specifically, that we teach a program that coincides with what you are looking for in a farrier education program. If we don't think we can meet your expectations, we will tell you upfront.

ATTENTION VETERANS

Mission Farrier School has been an approved facility for VA benefits for many years. However due to our recent move to Oregon there is a waiting period before we can offer that option for funding.

We apologize for the inconvenience and hope to resume our approved status sometime in 2023.

Contact us to be placed on the Notification List.
