

The Body Farm Quick Start Guide

So you've looked at everything in the box and have no idea how to start, where to begin, or even what a good first step might be. Maybe this is your first box and you aren't sure how things work. Or maybe things just aren't clicking for you on this particular box. Maybe a few starting hints will blow the case wide open and will be all you need to help solve the mystery.

Beginning the investigation:

-In this particular case, you are part of the S.T.A.L.K. ghost hunting group. Look for a document that says "Beginning Brief."

-You are given two items that are found at the Montgomery farm (Ash Stinson's locked phone and a note nailed to the door). These are the two logical places to begin.

-Unlocking Ash Stinson's phone involves analyzing the word clue he left behind and analyzing the number of question marks. One specific word tells you where to look.

-The words to take note of on the riddle nailed to the door are 'swan,' 'heavens,' and 'location 4.' Find the swan constellation and then determine which constellation is near the swan's head. You may need to visit the website listed on the Museum Nocturnus brochure.

-Once you have both of these figured out you should be well on your way to solving this particular case! Happy Sleuthing!
