

The Collector Quick Start Guide

So you've looked at everything in the box and have no idea how to start, where to begin, or even what a good first step might be. Maybe this is your first box and you aren't sure how things work. Or maybe things just aren't clicking for you on this particular box. Maybe a few starting hints will blow the case wide open and will be all you need to help solve the mystery.

Beginning the investigation:

1. Read the document marked Beginning Brief.
2. The last thing mentioned in the Beginning Brief involves listening to a cassette tape. Find the card in the box with a tape that says Play Me. Scan and listen.
3. Examine the letter from The Collector that is numbered 1, 2, and 3.
4. Each numbered item gives you a clue about accessing a certain location (train, junkyard, and dump truck).
5. Clue #1 mentions a nightclub and the junkyard. You have an item in your box that comes from a nightclub that will help you access the junkyard. Focus on the Over 21 part and use that information with the cardboard clue that contains letters and numbers. Find all the letters that fit the requirement and use the resulting password to unlock the junkyard.
6. Repeat the same process with clues 2 and 3, finding the reference in the clue to help determine what you should use to unlock two additional locations.
