EMPLOYEE HOUSING OPPORTUNITY PROGRAM

We are pleased to announce our Employee Housing Opportunity Program in partnership with Enterprise Bank & Trust.

As an employee of American Postal Workers Union , you are eligible to participate and enjoy the benefits of their mortgage products and services.

Enterprise Bank & Trust has a full service residential mortgage department. As a local lender they process, underwrite and fund all of their loans. Enterprise offers a full line of mortgage products at competitive rates. Enterprise's services include the Home Scouting Report, Home Sold Alert and Mortgage Monitoring.

If you are considering a home purchase, refinancing your existing mortgage or would like to discuss your ability to obtain a mortgage, one of Enterprise's experienced and knowledgeable representatives will meet with you to confidentially discuss your options. An appointment can be scheduled for your convenience, in the evening or on a weekend.

If you take advantage of the program and close a loan with Enterprise Bank & Trust, they will pay for the cost of your appraisal and credit report, a combined savings that could total \$500.00!
