Expanded Indoor Vendor Booths

We are pleased to announce an exciting update for this year's Spirit of the Forest Bigfoot Festival. In response to growing interest, we will be adding additional indoor vendor booths! To accommodate more participants, another building will be opened exclusively for all inside booths. This expansion provides vendors with increased opportunities for indoor visibility and engagement during the festival.

I want to sincerely thank each and every one of you for becoming part of our festival family. I truly hope you continue to grow with us.

I put my heart into this festival. I work very, very hard on planning it and promoting it so people everywhere know what it's about and why it matters. I kindly ask for your help in sharing the festival whenever you can.

Last year, we had over 100 signs placed throughout multiple counties, along with advertisements in newspapers and magazines. As a vendor myself, I understand how challenging it can be to travel to shows, set up, and hope you meet your goals. Please know that I invest a great deal of time, effort, and care into making this festival a success for everyone involved.

I am proud to share that last year we raised \$1,000.00, which was donated to the Rehabilitation Center and Nicholas School. That generosity is something we can all be proud of, and it's because of people like you. Thank you from the bottom of my heart.

Thank you, God Bless

Susan Supinger
