

We had a fantastic fundraiser for The Mission that was hosted by Burt Nix and the team from Calvary Baptist. There were countless others who contributed to the event and we want to thank all of you. Thank you dear Lord for your favor and provision to multiply the fishes and the loaves, and for keeping us safe with all the thunder and lightening around us! We saw over 300 people and even more with all the folks coming in for “to go” boxes!

The Mission was blessed by the out pouring of support. The funds generated by the fundraiser will go towards our air conditioning installation in the East Building. Once that is complete we will be able to focus on our next phase of ministry in our East Building.

Thank You again to all who worked to make this fundraiser a success!
