A Note from the Director

"All children, except one, grow up...."

Nancy Holaday
Director

Most of us have heard the opening lines of this wonderful, imaginative, carefree story. What a pleasure it has been to work on it with these growing and godly young people! Of course we want our children to have fun, to enjoy the life they've been given, to explore, and to have adventures. And sometimes we do wish they would stay children forever!

But is that what they are called to? Don't we also wish for them to grow up to become mature, to make wise decisions, to have a home and a family, and to become true men and women of God?

"When I was a child, I spoke like a child, I thought like a child, I reasoned like a child. When I became a man, I gave up childish ways. For now we see in a mirror dimly, but then face to face. Now I know in part; then I shall know fully, even as I have been fully known." (1 Corinthians 13:11-12)

We are all called to spiritual maturity, to grow in our faith - not to rest where we are, but to push forward and fight the good fight. What a wonderful opportunity it has been to see these young actors learn more about themselves and about each other, and about who God means them to be. It has been a blessing to me especially to see the joy in their fellowship, and how much they have grown to love each other, offering friendship and support as they have worked together on this project. They are my happy thoughts! Thank you for entrusting your precious children to me. I hope to share the stage with them again soon!

*In Christ Alone,
Nancy Holaday*

A Note from the Producers

In this inaugural season of Rise Christian Performing Arts, we have been so blessed to have been embraced and to have connected with such amazing new friends and families that share our vision and goals of providing Christ-centered, community-focused, and low-cost performing arts programs to our region. Forty families and sixty students have come together to present this amazing production of Peter Pan Jr. We thank all of our families and students for taking a leap of faith with us and working together to create this awesome show!

Beyond the joy and fun of working together to create a musical, it is our prayer that all of our students have grown in their faith and love for Christ through the Rise community.

Thank you for coming to Peter Pan Jr.

We hope you enjoy the show! - Ben & Sasha Mills

Sick and tired of drama

...when it comes to buying and selling property?

The Fisk Team is here to help!

“My wife and I bought our first home using the Fisk Team. We then sold our first home with the help of the Fisk Team. After moving to KY for four years to work at Ft. Knox, we returned to the area and bought our third home using the Fisk Team. We highly recommend them to anyone looking for the best service in town.” - Chris T.

We have now used Nathan & Lisa Fisk to sell four of our homes in Colorado Springs (over 17 years), all within a few weeks, at or over asking price. They are dear people & extremely good at what they do; perhaps the best realtors we've worked with in 37 years of marriage. True professionals! - Steve & Beth S.

Nathan and his team helped design our new construction home and did a wonderful job! Our old house was under contract in four days, above asking price. Great team, super easy to work with. They took care of everything. Highly recommend using Nathan & Lisa. - Aaron G.
