A NOTE FROM THE DIRECTOR

Celeste Tice
Director

Theatre has always been something that God has put in my heart to love and use for others. Joining Rise Christian Performing Arts last year for their production of Les Misérables was an eye opening experience to see just how wonderful it is to glorify God through theatre. Providing a space in the arts where we can encourage the worship of Jesus openly and frequently is so important for our community.

When Rise asked me to direct Willy Wonka Kids, I was thrilled to be offered the opportunity! Willy Wonka Jr. was my first show I performed in, so it holds a particularly special place in my heart, and so to have it be the first show I direct is even more amazing. I grew up watching both the Gene Wilder and Johnny Depp Chocolate Factory movies; they were a staple in my frequently watched DVD list.

These stories always showed the whimsical world of candy and how the delight in it can transport you back to childlike wonder. God's magnificence does that with us in so many ways. His goodness allows us to rest in being His child. As a good Father, he must correct mindsets that put us in danger much like the children who enter Wonka's factory and their misbehavior leads them to demise. Even Charlie falls into temptation, but by doing the right thing and being honest Wonka's grace rewards him to take over his factory.

I chose Psalm 51:6, "Behold, you delight in truth in the inward being, and you teach me wisdom in the secret heart." as our show verse because of how the Lord cares for us and our integrity. Even as we make mistakes in life He is eager to teach and grow us. When we are honest with God and surrender to His will, He will bless us in ways beyond our imagination.

*Behold, you delight in truth in the inward being,
and you teach me wisdom in the secret heart. Psalm 51:6*

Sick and tired of drama

...when it comes to buying and selling property?

The Fisk Team is here to help!

“My wife and I bought our first home using the Fisk Team. We then sold our first home with the help of the Fisk Team. After moving to KY for four years to work at Ft. Knox, we returned to the area and bought our third home using the Fisk Team. We highly recommend them to anyone looking for the best service in town.” - Chris T.

We have now used Nathan & Lisa Fisk to sell four of our homes in Colorado Springs (over 17 years), all within a few weeks, at or over asking price. They are dear people & extremely good at what they do; perhaps the best realtors we've worked with in 37 years of marriage. True professionals! - Steve & Beth S.

Nathan and his team helped design our new construction home and did a wonderful job! Our old house was under contract in four days, above asking price. Great team, super easy to work with. They took care of everything. Highly recommend using Nathan & Lisa. - Aaron G.

PRAISE SONG

Indescribable *by Chris Tomlin*

From the highest of heights to
the depths of the sea
Creations revealing Your
majesty

From the colors of fall to the
fragrance of spring
Every creature unique in the
song that it sings
All exclaiming

(chorus)
Indescribable, uncontainable
You placed the stars in the sky
And You know them by name
You are amazing, God

All powerful, untameable
Awestruck, we fall to our
knees, As we humbly proclaim
You are amazing, God

Who has told every lightning
bolt where it should go?
Or seen heavenly storehouses
laden with snow

Who imagined the sun and
gives source to its light?
Yet, conceals it to bring us the
coolness of night
None can fathom
