THE FINE PRINT

To secure a date, 1/2 of your anticipated total fee is due when you sign the contract. The final 1/2 of your payment is due 3 months prior to your event.

Dates are reserved on a first-come, first-served basis. Once a contract has been requested by a client and sent by Samuelson Enterprises, the client has 48 hours to sign the contract and initiate a down payment. If the contract remains unsigned and no payment initiated within those 48 hours, the date becomes open to all clients again. Discussion of dates does not guarantee a reservation.

Most event packages are entitled to an optional 1-hour rehearsal appointment prior to event day. This appointment is solely for rehearsal so you and your party can have a smooth run of show on event day. Load-in and set up of any items/decor is not included in this rehearsal hour. The rehearsal can take place the night before if the venue is not otherwise booked. If the venue is unavailable the evening before, the rehearsal can take place on an alternate day/night. Additional time needed during that appointment will be billed at venue a la carte hourly rates.

Samuelson Enterprises handles trash disposal. We provide trash bags and all paper products for the prep kitchen and restroom use.
