### Welcome to Lyndhurst

Lyndhurst is an elegant Victorian property. It is a few minutes walk from all local amenities.

Lyndhurst has been tastefully extended and enlarged to create a warm, comfortable and friendly environment. We have several no smoking areas, large lounge/TV room with attached dining room. There is also a quiet coffee lounge, which has been extended by the addition of a conservatory that overlooks the village green.

We offer 18 single and 2 rooms that are large and can accommodate married couples. Most room having en-suite facilities. All bedrooms have television and telephone points, and are situated on the ground, first and second floors. Most ground floor rooms have French windows opening onto patios.

The upper rooms all have views of the village green, the garden or the magnificent Berkshire Downs. A fully automatic, five person, passenger lift has been installed for the convenience of our residents, who are encouraged to bring items of personal furniture and pictures for their rooms.

The gardens are secluded and secure with a very large paved patio area for our resident's enjoyment during the summer months.

## Worship

Communion is held at the home every month and any alternative religious need can be fully accommodated.

## Recreation & Leisure

We have activities on a daily basis organised by our staff. A hairdresser visits weekly and newspapers and magazines are delivered daily. Visitors are encouraged to visit Lyndhurst at any time, no appointment is necessary.

## Dietary Arrangements

Our excellent cooks produce appetising, nutritious, home cooked meals prepared with fresh, seasonal ingredients whenever possible. Special diets and preferences can be catered for.

## Pets

Pets can be accommodated, in special circumstances, at the Manager's discretion.

Staff really do care about the comfort and service given to our residents. The tender loving care we give is based on that we would seek for our parents

If you would like to visit or know more about our home, please contact the Manager at Lyndhurst
