

CAMPGROUND ETIQUETTE

Be Mindful of your noise level

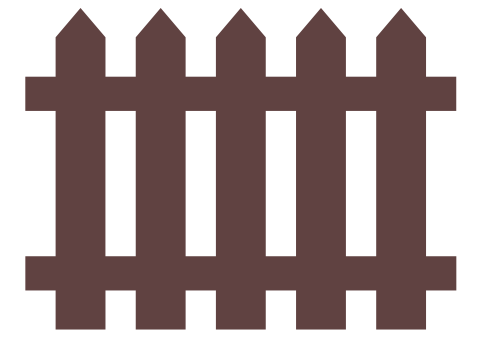

Not everyone camping is here to party. Some might be camping to relax and enjoy the quiet sounds of nature

Be respectful during quiet hours

QUIET HOURS ARE FROM 11pm - 8am

Be considerate of other campers. Keep voices low, children and dogs quiet and music off.

Do not walk or cut through other campers lots

Follow the road when walking to a destination. Do NOT walk through another campers property whether they are there or not.

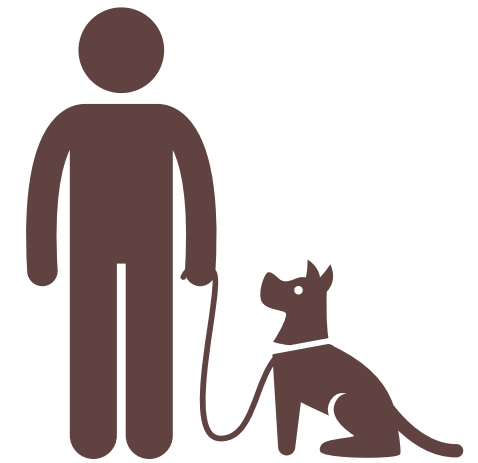

Put garbage away

All FOOD garbage only goes into the garbage trailer by the dump station

Speed Limit in the park is 10 km/hr

Drive a maximum of 10 km/hr inside the campground ALWAYS! Be aware of children that may not be paying attention.

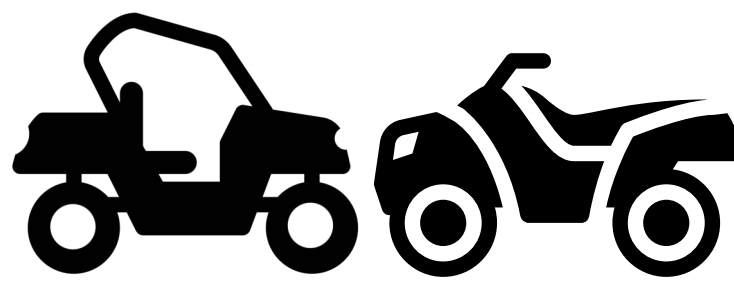

Keep your dog calm and secured

Keep your dogs on a leash and in your control at all times! Please clean up after your dog.

Keep a tidy campsite

Leaving food or garbage out unattended will invite wildlife to join you. Also, all sites must be tidy and well kept at all times.

Keep the ATV's for the trails

Please do your part and do not drive around the campground on your atv unless you are doing a septic dump.

Take only memories, leave only footprints

Leave your campsite and communal spaces better than you found them.

Keep flames on campfire low

Flames on your campfire can be no higher than 1 meter (3ft) anything higher than this will need to be put out.
