CRM got you feeling like this?

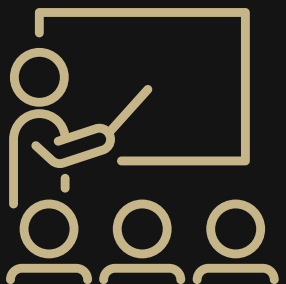

BLAINE.

We Build **your CRM on your platform of choice, specific to your businesses' **CRM** goals**

We can carry out **maintenance, updates or refinements to **CRM** systems you're **already using**.**

Bespoke **CRM Training
Days & Sessions**

We make **Bespoke CRM Guides
and **Manuals****

We Build your CRM.

BLAINE.

We make your CRM from scratch, built to perform to your unique needs, goals and business strategy.

BLAINE is literate all leading CRM Systems usage. So we can use your preferred platform of choice and build it out to your design.

We use the CRM platform of your choice, and design it to match your internal company branding and interface.

We Maintain Your CRM

We offer a **maintenance service**, where we carry out maintenance and updates your existing CRM that you're already using.

This can be via an agreed **one-off** contracted job or ongoing set day(s) per week / month subscription at a **day rate**.

The work can be carried out **onsite** or **remotely**.

BLAINE.

LET'S TAKE A LOOK UNDER THE HOOD!

CRM

Maintenance

Matters!
