

IS HOSPICE RIGHT FOR YOU?

Hospice is an in-home care program for people who have life limiting conditions. The Honey Bee Hospice goal is to provide comfort and the best possible quality of life while allowing patients to remain in their residence and focus on spending time with loved ones. We can manage the medications, equipment and supplies related to your terminal illness so you can focus on living everyday to its fullest.

Are you ready to spend more time with loved ones than at doctor's appointments or in the hospital?.....Yes No

Do you need help with medications, equipment or supplies?.....Yes No
