

**NOTICE TO CUSTOMERS:
WITHDRAWAL OF RATE INCREASE REQUEST**

Mountain Lakes Water Co. has submitted to the State Corporation Commission ["SCC"] a Motion to Withdraw its request for a rate increase, and as of August 1, 2025 is reverting its billing back to the Company's prior tariffed rates and charges, as per the following table:

	WATER RATES	
	Current Interim Rate	Reversion back to Company's Tariffed Rates
First 3000 gallons ("gal")	\$35.00 monthly minimum	\$27.75 monthly minimum
Above 3000 gal	\$9.00/ 1000 gal	\$8.00/ 1000 gal
	SERVICE CONNECTIONS (New Installations)	
Current Interim Charge		Reversion back to Company's Tariffed Charge
\$3,500.00		\$2,650.00

Mountain Lakes Water has been depositing the difference between the old rates and the interim rates in a Rate Differential Escrow account, and will return as a refund to each customer the difference actually collected from that customer, with interest. Mountain Lakes Water will refund the money by: (a) a one-time reduction of water bills paid -up customers; (b) setting off the refund against the amount owed for those in arrears; and (c) a rebate check to any departed customers, after SCC approval, and in accord with their requirements.
