

# Who is Candidate Matt Rahn? Support For Obama, Harris and Tax Hikes Raise Red Flags.

Rahn is from the Riverside end of the district, once serving on the Temecula City Council. He's been registered Republican since he moved into that conservative city and then successfully ran for city council. He previously ran unsuccessfully for Congress and State Senate.

## **RAHN SUPPORTED A LOCAL SALES TAX HIKE IN HIS CITY**

In 2016, Rahn was a supporter of Measure S, a 1% increase in the city's sales tax. Campaign filings show he made a personal contribution of \$2300 to support the tax increase as well. Rahn voted to place it on the ballot, too, which would be consistent with his support. So, on the basic issue of holding the line on higher taxes in his own city, as a policy maker, **he was an advocate for higher taxes.**

## **ENDORSED KAMALA HARRIS FOR UNITED STATES SENATE**

Also in 2016, when Kamala Harris was running for United States Senate, **Rahn endorsed Kamala Harris.** Thanks to the Wayback Machine the proof was found (on the Harris' U.S. Senate website) confirming Rahn's endorsement of her. Why did "Republican" Rahn endorse this far-left, San Francisco Progressive? Abortion? Stripping away gun rights? Ask Rahn.

## **MULTIPLE TIME REPEAT DONOR TO PRESIDENT BARACK OBAMA**

Between May and October of 2016 Rahn **donated to the reelection of President Barack Obama – not once, not twice – but EIGHT times.** This has been verified on the Federal Elections Commission website. Rahn was for four more years of Obama, which he got.
