What did the instructor do that most helped in your learning?

“The energy she brought to class always kept me engaged.”

“She was very engaging and would understand when you were not on your A game.”

“Providing days of one on one feedback before the scripted scenes and the monologue. This allowed me to recognize what I needed to work on and how to improve. Additionally, her personable attitude and caring nature created an atmosphere I looked forward to joining every week, an atmosphere that fostered learning and promoted growth among me and the rest of the students.”

“She gave constructive criticism and examples on how to improve. She communicated very clearly and it was simple to understand her instruction. She led engaging conversations and created an environment where it was easy to share our own opinions and learn from those around us.”
