What did the instructor do that most helped in your learning?

“She was very open to the ideas my class came to her with and helped us shape our image. She didn't take over and make the performances into what she wanted, instead she would give us suggestions to enhance our ideas and push us along to make a more coherent piece.”

“Made assignments personal and collaborative to foster learning between individual classmates rather than explicitly just teacher and students.”

“She was very engaging and kept the material fresh and fun.”

“She was very interactive, making sure everyone understood the purpose of each assignment we completed.”
