The organization's mission is to aid in the protection, preservation, and restoration of the natural environment of the nation's major rivers and their watersheds. From its single-boat beginning, LL&W has grown to an industrial-strength, internationally known organization with a fleet of barges and workboats.

To date, LL&W has removed over 14 million pounds of debris from America's rivers, engaged over 137,000 volunteers in hands-on initiatives, planted over 2 million trees, and educated over 30,000 students through free educational workshops. The cost of postage is increasing once again. Did you know you can receive our monthly newsletter through email? Help us save on postage by filling out the form in the entryway and place it in the offering box or email Jamie in the office, flcandover@gmail.com, and let her know you want to be added to the newsletter email list or if you no longer wish to receive it! Be sure to check your spam folder as our email tends to find its way there.

Council minutes are available to help you stay in the know. Join our email list for approved minutes to be sent to you by contacting the office or grab a copy from the white kiosk in the entryway.

Information for the Mobile Food Pantry at Calvary Lutheran Church in Sabula and Preston Manna Center can be found in the narthex and our website. Please share this information with anyone who could benefit from this outreach.
