Noisy offering being collected will be given to Living Lands & Waters. This organization is a 501(c)(3) environmental organization founded by Chad Pregracke in 1998. The organization's mission is to aid in the protection, preservation, and restoration of the natural environment of the nation's major rivers and their watersheds. From its single-boat beginning, LL&W has grown to an industrial-strength, internationally known organization with a fleet of barges and workboats.

To date, LL&W has removed over 14 million pounds of debris from America's rivers, engaged over 137,000 volunteers in hands-on initiatives, planted over 2 million trees, and educated over 30,000 students through free educational workshops. For more information, visit www.livinglandsandwaters.org

We want to connect with you! Connect Cards are available in each pew. Visitors are encouraged to fill out their information to help us get to know you. Do you have a prayer request? Fill out the back side of the card. Cards can be placed in the offering box.

A "Prayground" is available in the back of the sanctuary for our littlest members (Kindergarten and younger) and parents for quiet, parent monitored play during worship.

Pastor Katie will be on vacation this week, Aug. 10th–16th. Call the office for pastoral needs during this time.
