

Become an InfraGard Sponsor

Northern Ohio Infrared's Chapter sponsorship program provides targeted exposure, value-added benefits, and the opportunity to be actively engaged in helping to protect organizations, industry and our community. InfraGard sponsors after application and approval, have the ability to attend our first-class training, education and peer networking on the terrorism, cybersecurity and law enforcement issues affecting the region and the nation at large. InfraGard also offers our sponsors the ability to participate in meetings that a highly coveted demographic of private businesses and public agencies representing the 16 DHS critical infrastructure sectors and region-specific sectors attend.

For questions regarding sponsorship, please contact InfraGard Board Member Jack Nicholson at jack@nichelson.net or Rich Ullom at richandmaggie@gmail.com.

Mail checks to us at: 1284 SOM Center Road, Suite 149 Mayfield Heights, OH 44124 (Please make all checks payable to NOC InfraGard) or send via PayPal at [donate at paypal](#).
