

Become an InfraGard Sponsor

Northern Ohio InfraGard Chapter sponsorship program provides targeted exposure, value-added benefits, and the opportunity to be actively engaged in helping to protect organizations, industry, and our community.

InfraGard also offers our sponsors the ability to participate in meeting that a highly coveted demographic of private businesses and public agencies representing the 16 DHS critical infrastructure sectors and region-specific sectors attend.

- For questions regarding sponsorship, please contact InfraGard Board Member Tamera.Chess@yahoo.com
- For sponsorship payments, please use the following link:
