THE RUMMAGE SALE COMETH

We are planning to hold our rummage sale

Sept. 25th, 26th and 27th

Friday, Sept. 25th: Pre-sale \$5.00 early admission 5pm-7pm

Saturday, Sept. 26th: 9am-2pm

Sunday, Sept. 27th: \$5.00 bag sale 12pm-2pm

This is one of our only fundraisers we can do this year due to the Pandemic. It will be outside under tents with all precautions being taken to socially distance, wear PPE to keep all safe. You will be required to wear a mask and there will be a limit of people allowed in the tents at one time. If anyone refuses to comply, we can refuse you service or ask you to leave.

Currently we are collecting your gently used items. Please call the center to arrange drop off. Unfortunately we are unable at this time to pick up items. All items will be a non-contact drop. We are in need of furniture items, household items and any vintage items you are willing to donate.

We **can not** take mattresses, bed pillows, older electronics (pre-2018), chemicals, used writing implements or office supplies, shoes or exercise equipment. If you are not sure, please call (315-637-9025) and leave a message on the centers machine. We will answer your questions as quickly as possible.

We are in need of volunteers to help set up on the Wed. and Thursday, Sept. 23 & 24, to help set up, organize and arrange tables. It is imperative we have enough people to make this an easy and stressless process. We also need people to help work the sale. Whether it is to help direct people, hand out masks or sell items, we need you.

Please call Janet at 315-637-9025 to inquire about helping.

This rummage sale needs to be one of our best yet. With the unstable economy and donations down, it is vital to do well in order to support the senior center.

MONTH OF SEPT. and 1/2 of OCT.,
The Kitchen is closed for renovations

With all of the renovations hopefully coming to a close in Sept., we are attempting some normalcy starting in the middle of October.

We will have a full plan in place, filed with the county for your and the staffs protection. The document will be posted for viewing. Masks are required to be worn while in the building unless you are 6 feet apart from any other members. Temperatures will be taken upon arrival and you will need to alert the staff if you have any symptoms of any kind, have been exposed to someone with Covid 19 or traveled in a Covid area that requires quarantining upon re-entering NYS.

Our programming, meal program and events are going to look a bit different in the future. We are only allowed a certain number in the building so you are **REQUIRED to sign up for any programs you wish to take part in.** If you can not make something you signed up for, you **MUST** call to cancel or, in case of a meal or a program that has a cost, you ***will be charged*** for it.

Let's start out small and see how we do. I know everyone has had a hard time with everything shut down the last few months so, let's not push ourselves too fast but know we are still here for you in whatever capacity we can be.

Monthly Fun Activity

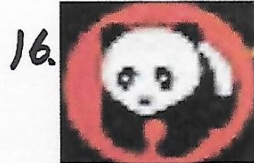

How would you like to win a \$5.00 gift certificate ????

Lets play some trivia so you can win. Starting in Sept./October newsletter, we will have a trivia page. If you want to play, fill out all the answers and send them to the center before Oct. 1st.

Three winners will be picked at random from those submitted with correct answers. Each winner will receive one (1) \$5 certificate that can be saved to be used to offset your membership, payment towards a rummage sale item, or for a meal.

Give it a try, it will be fun and something new to do! This month: Fast Food LOGO's

CONSTRUCTION IS IN FULL SWING!

You will notice some new paint, the start of a new kitchen and a new porch and a lot of busy work that will be going on inside our building. If you have any questions, concerns or just want some information as to what the center will be under going, please do not hesitate to call. Mayor Mark Olson has been a huge supporter of our mission and with the Village of Fayetteville's help, our mission and services will be expanded with this renovation.

New back porch/deck is taking shape. Inviting us to come on in, sit down relax and share a story

New front porch, replicating the original one that was on the house. It is 5 feet wide, enough space for a few chairs and some good ole' fashion porch watching.

You can see the framing started for the new state of the art kitchen to the right of Parnell Hall. Pretty soon we will all be together again, sharing a meal or two.
