Dear Fayetteville Area Friends and Neighbors,

Everyone has a neighbor, parent, or grandparent who looks to them for a form of connection. In fact, you may have noticed your senior neighbor is quieter, remains at home more, is experiencing more health problems, or seems sad or depressed. These are signs of loneliness, which has become an out-of-control epidemic in the United States. Our proud elders do not ask for help, and they are overwhelmed by their feelings. Let us face facts, since Covid-19 they have lost loved ones that made their lives worthwhile. This is where the Fayetteville Senior Center fills the void. We offer programs, activities, and healthy meals to bring joy and socialization into their day.

While we are actively pursuing solutions to help our seniors adjust to the new normal, we need your help to make our efforts go even further. Your financial support is crucial in allowing us to continue making improvements to our programming and keeping costs manageable for our fixed-income seniors. We plan to educate our members on the physical and mental effects these social changes have on their health. Please help us build a solid foundation for the changing needs of tomorrow.

We encourage **everyone of all ages** to stop by the Center and tour the building, participate in one of our programs, and have a nutritious well-balanced lunch. See how we are cultivating a home away from home for your senior loved ones.

This year, The Board of Directors at the Fayetteville Senior Center has established a goal of \$30,000 for our Annual Appeal Campaign. We are thankful for all the donations, no matter the level of giving. We would also be happy to discuss various long-term gifting programs with you.

You can truly make a difference in someone's life.
The Center is a 501 (c) (3) Not-For-Profit Corporation
Warm Regards,

Janet Best, Executive Director

Anthony Marsallo, Board Chair
