Salt City Auto Modelers

Remember building scale models as a kid? Well, Some of us never gave up on this wonderful hobby, and that's where the Salt City Auto Modelers model car club comes in. We're a fun group of 10 or so that meet once a month for "show-n-tell", to share our scale modeling projects, and enjoy each other's company.

While the focus is on cars and trucks built from plastic model kits, we appreciate any sort of miniatures. The club has no dues, officers, or formalities, and ALL are welcome. Of course, adults are encouraged to bring the youngsters as we're always anxious to share our love of the hobby with the next generation.

Meetings are held at the Fayetteville Senior Center on the 3rd Tuesday of every month from 6:45pm-9pm, and the next gathering is scheduled for **June 18**. It's all FREE, and if you have any questions, please call David Best at 315-663-7045, or talk to Janet.

Course title: A Vichy French Ville in World War 2 Thursday, June 6 and June 20 12:30pm

This course will use a highly acclaimed series which originated and played on French TV. It's historical fiction, but patterned on actuality. The moral dilemma of ordinary citizens faced with Nazi oppression provides many riveting, heart warming and heart breaking situations. The police, teachers, farmers, shop keepers and many others are portrayed accurately when deciding if they would collaborate with the Germans. What would you have done? Come and find out.

This course offers important historical perspectives still relevant today. In occupied Vichy France, citizens were confronted with how to survive in a totalitarian society. They had to make the difficult choice collaborate with the enemy or not. How does this relate to today? Come to the course and find out.

Co-hosts Mike O' Neal will start discussions after each session. Steve Nathan will be available occasionally.

A Word on Legacy or Planned Giving

As people, we often long to make a connection to something bigger than ourselves. Your legacy will capture meaningful aspects of your unique personality and presence to preserve it for the benefit of those who will follow in your footsteps. Whether through work, family, or community, we all have the opportunity to leave a one-of-a-kind mark on the people and places around us. **A Legacy gift is a symbol of empathy, love and sharing and a smart way to pay it forward.** Please consider remembering your senior center in your Estate planning. A gift of 5% may seem small, but to an organization, it is a priceless donation. We can continue on, in your name, providing the services and programs you have enjoyed. **If you need any additional information you may speak with Janet, a member of the FSC Board of Directors, or call Jan Lane at the Community Foundation, 315-883-5546**

ANNUAL APPEAL UPDATE

We are proud to announce, we have raised \$20,000 of our original request of \$30,000. The Annual Appeal is our largest source of yearly funding. It funds our programming, food program, special projects, yearly supplies, and general operating expenses. If you haven't already contributed to this year's campaign, please consider doing so.

If you already have donated, thank you so very much.

PLEASE CONSIDER GIVING TODAY.

We are looking for a few members that would like to be our ambassador to the center. If you could attend the Party in the Plaza or the upcoming festivals for the village of Fayetteville to represent us. All that is required is the ability to hand out free "Try us" lunch cards, a newsletter and the gift to gab. Generate interest and introduce people to what you enjoy. Any support you can give to your center is of value. We appreciate each and everyone.

Thank you.

Dear Fayetteville Area Friends and Neighbors,

Everyone has a neighbor or grandparent who looks to them for some form of connection. In fact, you may have noticed your senior neighbor is quieter, remains at home more, is experiencing more health problems, or seem sad or depressed. These are signs of loneliness which has become an out-of-control epidemic in the United States. Our proud elders, don't ask for help, are overwhelmed by their feelings. Let's face facts, since Covid-19 they have lost some loved ones that made their lives worthwhile. This is where the Fayetteville Senior Center fills the void. We offer programs, activities, and healthy meals to bring joy and socialization into their day.

While we are actively pursuing solutions to help our seniors adjust to the new normal, we need your help to make our efforts go even further. Your financial support is crucial to allow us to continue to making improvements to our programming, to keep costs manageable for our fixed income seniors. We plan to educate our members on the physical and mental effects of these social changes have on their health. Please help us build a strong foundation for the changing needs of tomorrow.

We encourage **everyone of all ages** to stop by the Center and tour the building, participate in one of our programs, and have a nutritious well-balanced lunch. Come see how we are cultivating a home away from home for your senior loved ones.

This year, The Board of Directors at the Fayetteville Senior Center has established a goal of \$30,000 for our Annual Appeal Campaign. Please consider us in your giving this year, every donation is appreciated.. We would also be happy to discuss various long term gifting programs with you. The Center is a 501 (c) (3) Not-For-Profit Corporation.

You truly can make a difference in someone's life.

Warm Regards,
