In the summer of 1914, three great empires dominated Europe: Germany, Russia, and Austria-Hungary. Four years later all had vanished in the chaos of World War I. One event precipitated the conflict, and at its hear was a tragic love story. When Austrian heir Archduke Franz Ferdinand married for love against the wishes of the emperor, he and his wife Sophie were humiliated and shunned, yet they remained devoted to each other and to their children. The two bullets fired in Sarajevo not only ended their love story, but also led to war and a century of conflict.

### CHANGE

Why do they always change things?  
And who is they anyway?  
What happened to that beautiful  
Grove of trees near the corner?  
Another Mall?  
Kellogg's is not in isle 3!!  
They monkeyed with the notes  
In the Star Spangled Banner.  
Remember those black phones with a  
Mouthpiece to talk into?  
Basketball rules are different.  
Don't you think TV has more ads?  
Nobody cleans your windshield.  
What happened to fountain pens?  
Where are the cashiers at the grocery?  
I'm glad you and I are unchangeable friends.

## A FEW CHANGES TO OUR LUNCH AND DINNER PROGRAM STARTING 2/1

As many of you know, the price of food is on the increase once again, in some cases, close to 45%. Plus, the size of packaging has become increasingly smaller requiring us to purchase more items. In order for us to continue to serve you with the best food and keep providing reasonably priced meals, we need to make a couple of changes to the current program.

In the last few weeks the weekly lunch members participated in a survey to determine how the membership would like to handle this complicated and ever changing issue. We know that most are on a fixed income and after taking that in consideration, we have decided not to raise the donation for lunch but to better structure it. Lunches will remain a donation of \$6.00. They will include a main portion, a side and fruit or salad. If you desire a dessert, we will provide an assortment for you to choose from for a donation of \$1.00. **Anyone** can have a dessert regardless of bringing a lunch or receiving a prepared homemade one.

The Friday Dinner program will be increased \$2 per meal. This covers the increase cost of containers and the stated above. These meals include: Main dinner size portion, side, Vegetable, fruit, roll( if called for), and dessert.

After much research, we know this could be a hardship for some people. We will never turn anyone away or have anyone go hungry. Please see Janet if you would like to discuss the changes. Remember, If participating in the meal program we do still need you to reserve 24 hours in-advance.

We thank you for your understanding and can't wait to continue serving you with the best we have to offer.

DID YOU KNOW THAT WE HAVE A LUNCH PUNCH CARD? YOU PAY \$30 FOR 6 MEALS. THAT'S 6 MEALS FOR ONLY \$5. THEY ARE AVAILABLE ANYTIME. SEE JANET OR CINDY AND WE CAN GET YOU ONE.

We thank you for your generous donations in 2024. As you know, the Senior Center is a private not-for-profit that does not receive financial support from the State of NY, County of Onondaga or Federal grants or programs. The Village of Fayetteville provides supports to 1/3 of our budget and the other 2/3 is fundraised by Staff and our Board of Directors. Last year we were extremely fortunate and our appeal very successful. It allowed us to hire two new people to help round out our staff, continue our food program, offer several new programs, and allow us to give back to our Community in new ways.

Our objectives in 2025, are to be able to adapt to the ever-changing needs of our senior members and tailor our programs and activities in a fun and enjoyable way. We look to grow our membership, bring new and exciting events, and maintain our already successful programs. This year's financial goal is \$35,000, all of which will be used to help us meet those objectives. This yearly fundraiser is one of the financial backbones of FSC insuring our continued success. During February you will be receiving our plea in your mail box. (also available at FSC) As you consider financially supporting your favorite charities, we hope The Fayetteville Senior Center is high on your list. We strive to be a home away from home for all, a place of safety, friendship, and engagement. Please stop by with a friend or two to have lunch and participate in some of the daily activities. We look forward to seeing you and providing you with everything you need.

**The Fayetteville Senior Center is a 501 (c) 3 not-for-profit corporation. EIN 16-1143963**

We can't thank you enough for your continued support in attending our programming, participating in the meal programs and for your financial gifting. Thank you, in-advance, for your donations to 2025.

### Salt City Auto Modelers

Remember building scale models as a kid? Well, some of us never gave up on this wonderful hobby, and that's where the Salt City Auto Modelers model car club comes in. We're a fun group of 10 or so that meet once a month for "show-n-tell", to share our scale modeling projects, and enjoy each other's company. Meetings are held at the Fayetteville Senior Center on the 3rd Tuesday of every month from **6:45pm-9pm**, and the next gathering is scheduled for **Feb 18**. It's all FREE, and if you have any questions, please call David Best at 315-663-7045, or talk to Janet.
