ANNUAL APPEAL

The senior center's mission has always been to provide education, all varieties of programming, entertainment, a nutritious affordable meal, and community outreach. The 2022 Annual Appeal campaign is vital so we may continue to provide services and fellowship for those that need it most. During these trying times we have maintained contact with our members, opened our doors for other not for profits, and fed our seniors with nutritious meals. Our commitment to support our senior population and the community at large is unwavering. Many do not know that we are not subsidized by the county, NYS or the Federal government. Our funding is split between the Village of Fayetteville (1/3) and the senior center(2/3). In order for us to attain our portion of the budget, we rely on fundraising, planned giving, grant writing, our food program and donations.

The Annual Appeal provides approximately 20% of the budget each year, so it plays a large part in helping us sustain our mission. No donation you provide is too small. **Please read the donation letter attached to this newsletter.** It is through donations like this we can continue our mission for our members as well as the community at large. Thank you in advance for your support.

Because we missed last month due to inclement weather, we talk about, "The Last Lecture", by Randy Pausch. For our March book club, each person will pick a wrapped book based on three hints on the books cover. In March, tell us what you thought of the book. Would you recommend it? Did the book speak to you in any way or what intrigued you more? Of course you may not like the book at all and if that's the case, present that too. Hopefully we will all have something exciting to tell and a few new books to read.

Please watch your television for the school closing scroll at the bottom of the screen. You can also check cnycentral.com or localsyr.com if there is a delay or it is a regular day off for the school district.

IF YOU ARE UNDER THE WEATHER!

It is vitally important that if you are not feeling well you stay home or if you need to come to the center it is **mandatory** for you to wear a mask.

As always, we reserve the right to ask you to mask up if need be. We are already starting to see colds and flu in our members and we want everyone to remain happy and healthy. It is also important that you sign in at our entry table. You may feel well but someone else may come down with something and we may have to contact you and let you know.
