NEW MANDATES

NYS has now enacted a mandate to wear masks indoors. Some businesses are not adhering to the mandate (that's their choice) but, because we are in a government building and because of the demographic we serve, we **will** comply. We know this is hard for everyone to seemingly go back a few steps but it is for all our safety. Because we are complying, if someone doesn't mask up while in the building, and if we are reported, we could receive a **\$1000.00 fine per incident**. That means that if someone enters our building, sees several people without a mask, and reports us, we could potentially receive a very large fine. So, if you would like us to stay open for your enjoyment, please mask up when in the building. If you do not comply you could be asked to leave. We appreciate you. Thank you!

MEMBERSHIP SIGN-UP/RENEWAL TIME

January is the start of our membership drive for 2022. The new membership form is included in this edition of the newsletter on the back page. A new form is **REQUIRED** each year so we can continue to update our data base and make sure your information is accurate. Please fill this out and send it back if you would like to continue your membership. Once we receive the form we will make sure your are marked in our data base as a member for 2022. Dues are **\$20.00** per household. Thank you for your continued support and we look forward to seeing you all.

Please observe change in prices for Membership, now \$20 per household and Thursday Dinner, now \$12.00. If you have questions please call Janet or use the form and suggestion box located in Parnell hall.

IF YOU ARE UNDER THE WEATHER!

It is vitally important that if you are not feeling well you stay home or if you need to come to the center it is **MANDATORY** for you to wear a mask. We are already starting to see colds and flu in our members and we want everyone to remain happy and healthy. It is also **MANDATORY** that you sign in at our entry table. If you don't sign in, we can not keep everyone safe. We will all be here when you are feeling better and return to full health.

Snow Days

It's that time of year again!!

Remember if the Fayetteville Manlius school district is closed, the Fayetteville Senior Center will be closed. Please watch your television for the school closing scroll at the bottom of the screen. If there is a delay or it is a regular day off for the school district then please call the center to make sure we're here. We are still open if there is a delay.

Rising Costs!!

Due to rising costs, decreased product sizes, and availability we have made a difficult decision with some of our programs. Starting in January we will be increasing our membership fee to \$20, and our dinner donation to \$12.00. As of Dec. 31st we will no longer be able to buy and use certain products for environmental reasons. If this causes any hardship for you or someone you know, please let us know. Again, we are so sorry for the inconvenience.

IMPORTANT UPDATE TO BUILDING UASGE GUIDELINES:

If tables and chairs need to be moved to accommodate your group **please ask staff first**. We have many groups and activities in the building at the same time and we have everything set up a specific way as we are still dealing with a pandemic. **We kindly ask you to move everything back after to how you found it as it needs to be sanitized in between uses, and we don't have a janitor.** Thank you for your consideration. –Staff
