Of course, adults are encouraged to bring the youngsters as we're always anxious to share our love of the hobby with the next generation.

covering herself with a red tartan plaid throw

Mama Bear dropped by to tuck her in and  
read a bedtime story  
from the New York Times.  
Soon Goldie was fast asleep—  
visions of sugar plums and falling snow  
danced in her head,  
‘twas the season, you know.

Old Mother Hubbard’s pantry,  
in her recently updated kitchen

was bare, so the poor doggie

three blind mice were on the run  
settling for Big Macs

By the way, did you hear about Bo Peep

Such a pity!”

“Who cut down the cherry tree?”  
“I cannot tell a lie, it wasn’t I,” Pinocchio cried.  
Well, let’s find out.  
“Alex, I’ll take ‘truth or consequences’ for 200.”  
“The answer is, ‘George Washington did this with his ax.’”  
“May I phone a friend? No, wait, that’s another show.”  
“What is.. ‘cut down the cherry tree?’”  
“Correct,” announced Mr. Trebek.  
“Now your nose won’t grow, Pinocchio.”

the cow jumped over the moon,  
all before the sun came up  
and the mouse ran up the clock—

## **Course title: A Vichy French Ville in World War 2 Thursday, July 18 12:30pm**

This course will use a highly acclaimed series which originated and played on French TV. It's historical fiction, but patterned on actuality. The moral dilemma of ordinary citizens faced with Nazi oppression provides many riveting, heart warming and heart breaking situations. The police, teachers, farmers, shop keepers and many others are portrayed accurately when deciding if they would collaborate with the Germans. What would you have done? Come and find out.

This course offers important historical perspectives still relevant today. In occupied Vichy France, citizens were confronted with how to survive in a totalitarian society. They had to make the difficult choice collaborate with the enemy or not. How does this relate to today? Come to the course and find out.

**A Word on Legacy or  
Planned Giving**

As people, we often long to make a connection to something bigger than ourselves. Your legacy will capture meaningful aspects of your unique personality and presence to preserve it for the benefit of those who will follow in your footsteps. Whether through work, family, or community, we all have the opportunity to leave a one-of-a-kind mark on the people and places around us. **A Legacy gift is a symbol of empathy, love and sharing and a smart way to pay it forward.** Please consider remembering your senior center in your Estate planning. A gift of 3-5% may seem small, but to an organization, it is a priceless donation. We can continue on, in your name, providing the services and programs you have enjoyed. **If you need any additional information you may speak with Janet, a member of the FSC Board of Directors, or call Jan Lane at the Community Foundation, 315-883-5546**

# ANNUAL APPEAL UPDATE

We are proud to announce, we have raised **\$34,400**, Exceeding our original request of **\$30,000**. We have never been so proud of our members and the community at large. The Annual Appeal is our largest source of yearly funding. It funds our programming, food program, special projects, yearly supplies, and general operating expenses. It is one of our major sources to attain our yearly fundraising goal of \$100,000.

This is due partly to two generous benefactors this year. Our “Anonymous benefactors” gave to our appeal for personal reasons. To recognize the Staff’s commitment to improving the lives of the senior population and to let them know they appreciate our efforts. These donations have allowed us to continue our mission and caring for all seniors. Although we are still a distance from achieving our yearly goal, we will continue to strive to provide the best service and support for our members and the senior population.

Dear Fayetteville Area Friends and Neighbors,

Everyone has a neighbor or grandparent who looks to them for some form of connection. In fact, you may have noticed your senior neighbor is quieter, remains at home more, is experiencing more health problems, or seem sad or depressed. These are signs of loneliness which has become an out-of-control epidemic in the United States. Our proud elders, don’t ask for help, are overwhelmed by their feelings. Let’s face facts, since Covid-19 they have lost some loved ones that made their lives worthwhile. This is where the Fayetteville Senior Center fills the void. We offer programs, activities, and healthy meals to bring joy and socialization into their day.

While we are actively pursuing solutions to help our seniors adjust to the new normal, we need your help to make our efforts go even further. Your financial support is crucial to allow us to continue to making improvements to our programming, to keep costs manageable for our fixed income seniors. We plan to educate our members on the physical and mental effects of these social changes have on their health. Please help us build a strong foundation for the changing needs of tomorrow.

We encourage **everyone of all ages** to stop by the Center and tour the building, participate in one of our programs, and have a nutritious well-balanced lunch. Come see how we are cultivating a home away from home for your senior loved ones.

This year, The Board of Directors at the Fayetteville Senior Center has established a goal of \$30,000 for our Annual Appeal Campaign. Please consider us in your giving this year, every donation is appreciated.. We would also be happy to discuss various long term gifting programs with you. The Center is a 501 (c) (3) Not-For-Profit Corporation.

You truly can make a difference in someone’s life.

Warm Regards,

Janet Best, Executive Director

Anthony Marsallo, Board Chair
