Welcome Back, Opening Monday, May 3rd

10am –4pm

NEW HOURS M-F, 10am-4pm

Hello to Everyone...

We are happy to finally announce our reopening. A few things will be new to all of us, including proper protocols, safe distancing, reservations for **ALL** activities and of course, **reserved** indoor/outdoor dining in addition to our Drive thru meals. If you have had both doses of the vaccine, we would appreciate you sharing that information with us.

On Monday, May 3rd you can make an appointment anytime from 10am-4pm to tour the facility. The appointments are approximately 15 minutes apart. You will be required to wear a mask, sign in and answer a few questions at the door. This will be required until the State and local governments relax the protocols. If you do not have a mask, one will provided for you. All staff and volunteers have been vaccinated and will wear a mask when socializing with the members. If you would like a viewing by appointment, please call 315-637-9025. We are allowed a certain amount of visitors at a time per building and per room so it is important to register.

Over the next few months we will be slowly introducing programming that fits all of our comfort levels. We will begin with activities that are not close contact. Activities we will be offering in the upcoming months are Art, Poetry, Bingo, Movies, book club, exercise, limited meals, socially spaced games, and our new exercise equipment room. We will be using the porch for some open air activities as well.

YOU MUST SIGN UP FOR THE ACTIVITIES YOU WISH TO PARTICIPATE IN!

If you have any questions about the protocols or information on meals or programming, do not hesitate to call.

Dear Fayetteville Area Friends and Neighbors,
During these challenging times, all of us who are affiliated with the Fayetteville Senior Center hope this letter finds you safe and well. Since last March, we have all felt the effects of the isolation caused by COVID-19. The need to stay apart to slow the spread of the virus has had a huge impact on the population we serve—the senior members of our community—who rely on us for social activities, nutritious meals, programs to enrich their mental and physical health and, above all, a sense of family. Even though we have not been able to welcome seniors to the Center for many months, we have worked hard to continue to provide services and to stay connected. For example, we have:

- **provided 120+ take-out meals each weekend, starting last April.**
- **held our annual Chicken BBQ in August, with all meals served as take-out.**
- **held our annual rummage sale outdoors under tents in September.**
- **undergone exterior and interior renovations at the Center designed to make our facility even better for our members, with a new kitchen, an exercise room, and a beautiful new covered porch where seniors will be able to sit and relax when good weather returns.**
- **updated our website, adding videos to update our seniors on the progress of construction at the Center and allowing them to receive updated information on Covid, relatable websites, and webinars at their convenience and from the comfort and safety of their homes.**
- **We also provided a weekly, friendly phone check-in for anyone that needed to chat, express concerns or request information on senior related issues.**

Now more than ever, our seniors need the Center, and we need YOU so we can continue to serve them. While we are closed, we are unable to hold our usual fundraisers, which are a key source of essential revenue for our programs. Please consider a tax-deductible gift. You can donate online at

www.faysrctr.org or you can send in your donation by mail. There is much to look forward to when this passes, and we are able to welcome you to the Center soon.

Thank you for making a difference. We cannot do it without you and we deeply appreciate your donation.
Warm Regards,

Janet Best, Executive Director

Anthony Marsallo, Board Chair
